You may also visit <http://www.nationalteacherregistry.com> to give an individual teacher items that they wish for in their classroom. If you choose to purchase items from the wish list your selections will be delivered directly to the classroom. You will receive an email confirmation of your purchase, which in some cases may be tax deductible, and the teacher will receive notification of your generosity.

Thanks in advance for helping us provide the best education for your student that we as teachers possibly can.
