

MCHS Principal Message for 10-8-23

Good evening Maverick Nation:

This is Principal Taylor-Simon with some important announcements.

- Tuesday, October 10 - Friday, October 13 are the Durham Tech inclement weather makeup days. Durham Tech does not have an official fall break. Students must follow the instructions of their college instructor to know if they have classes on those dates or not. High school courses will meet as scheduled.
- Tuesday, October 10 is the end of the grading quarter. Teachers will close out their first quarter grades by October 12 and report cards will be made available on Monday, October 16. Parents can view their students' report card on the PowerSchool Parent Portal or if you would like a hard copy of your report card, please contact Mrs. Kimberly Faison at 919-536-7203 ext. 1203.
 - Please remember that college grades will not be on this report card cycle.
- Wednesday, October 11 is an [early release day](#). Don't forget to make any appropriate transportation or lunch arrangements due to the change in schedule.
- Thursday, October 12 is a teacher's workday. Transportation and lunch will not be provided on that day. Please plan accordingly.
- Friday, October 13 is the first ACT Prep Session. Juniors should refer back to the email that I sent them on September 1 that contained all the details, including the session rosters.
- It's advising season! Please see the email that Mr. Evans sent on Wednesday, October 4. He explained the next steps for advising. Please contact him directly if you have any questions regarding advising.

As always, thanks for being a part of the Middle College family.
Have a great evening!
