

MCHS Principal Message for 1-11-23

Good evening Maverick Nation:

This is Principal Taylor-Simon with some important announcements.

- Monday, January 16 is a holiday. Both Middle College and Durham Tech are closed.
- Wednesday, January 18, is the next in-person MCHS Parent Information Session at 6:00 p.m. We are running a “refer-a-friend” contest. The student who sends the most friends (and their parent/guardian) to the January 18 session will win a prize. Anyone interested in coming to the session must [sign up](#) and when they come to the event, they must tell the registration person who sent them. Please share the sign-up link with all of your friends and family and remind everyone that the [Magnet School Application](#) is now open! The time to apply is now!
- Thursday, January 19, is the MCHS Curriculum Night from 5:00 p.m. - 6:00 p.m. in the Building 10 Multipurpose Room. All teachers will be in the same location and this event will be floating. Please come out to meet your student’s high school teachers and learn more about their classes. There will also be an opportunity to meet with two Durham Tech instructors if you have general questions about the academic rigor in college courses.
- The 2023 SECU People Helping People Scholarship is now available. Current seniors can view eligibility criteria and the applications on the [MCHS website](#) under news. The deadline to submit applications to Mrs. Machak is now until February 24th.

As always, thanks for being a part of the Middle College Family, have a great evening.
