Covid-19 Protocol - Updated August 15, 2022

What to do if your student is sick/symptomatic, tests positive or is identified as a close contact for Covid-19:

- **Step 1: Notify the principal immediately (Positive, Symptomatic, or Close Contact)**
- **Step 2: Fill out the [DTCC Contact Tracing Form](#) (If you are positive or symptomatic only!)**
 - **Update:** Quarantine/Campus restriction is not required for close contacts. You may come to campus but must wear a mask 100% of the time for 10 days. If you become symptomatic within those 10 days, please start back at Step 1.
- **Step 3: Stay home and wait to be contacted** by the DTCC Covid response team. They will provide the student with next steps. (Please note that due to the number of cases, this could take 24-48 hours)
- **Step 4: Notify all teachers and instructors** that you have activated the Covid-19 process.
- **Step 5: Provide BOTH the MCHS principal AND the DTCC Covid-19 team with all positive or negative test results.**
