

## MCHS Principal Message for 11-14-2021

Good evening Maverick Nation:

This is Principal Taylor-Simon with some important announcements. I apologize in advance for the length of this message.

- On Monday, November 15, the DPS Student Climate Survey Opens. All juniors are **required** to take [this survey](#). This survey is a way for students to provide feedback to the district and to Middle College High School. Students who have high school classes will take this survey during one of those classes. Students who do not have any high school classes will be sent this link directly. Please help us remind your student to participate in the survey.
- Wednesday, November 17, is the next **virtual** School Improvement Team meeting from 5:00 p.m. - 6:00 p.m. ([Join](#))
- All Governor's School applications are due to Mrs. Sarah Machak no later than Wednesday, November 17. Additional information about Governor's School can be found by visiting the [NCDPI website](#) or by visiting Mrs. Machak's [Counselor Corner](#).
- Recruitment season is here! Wednesday, November 17, from 6:00 p.m. - 7:00 p.m. will be a **virtual** MCHS Parent Information Night. If you know of any families interested in learning more about Middle College High School, please provide them with this [registration link](#). Throughout the recruitment season, there will be both virtual and in-person options. If you are a parent that is willing to attend one of these sessions to provide recruitment support, please contact Mr. William Evans to let him know that you are interested.
- Thursday, November 18, is the Fall and Senior [Picture Make-up Day](#). This date had to be rescheduled twice due to scheduling conflicts with Lifetouch and the change in the DPS calendar. Sorry for the inconvenience.
- Friday, November 19, is the next [ACT Prep Session](#).
- Currently, no one has filled out the transportation request for Spring 2022 which means I will need to cancel bus service to Middle College if no one needs the bus. Please make sure that if you need the bus for Spring 2022, please fill out [the Transportation Request Form](#) as soon as possible. This form will close on Friday, December 3.
- Current high school juniors who are interested in state education issues, advocating on behalf of fellow peers, and serving as an advisor to decision-makers in K-12 education

are invited to apply for State Superintendent Truitt's Student Advisory Council. Interested students can learn more and [apply](#) no later than November 15.

As always, thanks for being a part of the Middle College family! Have a great evening!
