

## MCHS Principal Message for 8-28-22

Good evening Maverick Nation:

This is Principal Taylor-Simon with some important announcements.

- Wednesday, August 31, from 5:30 p.m. - 6:30 p.m. is the first School Improvement Team Meeting for the 2022-2023 school year. This meeting will be held on [Zoom](#). The School Improvement Team is the decision making body for the school and helps us to set goals for continual improvement. All MCHS families and community members are welcome and invited to attend.
- Please make sure that students return their [Student Data Profile Sheet](#) to Mrs. Kimberly Faison in Building 4 - Room 132. This form was one of the forms that was put in their packets and distributed during MavCon and at the opening-day-assembly.
- For the 2022-2023 school year, Middle College High School will be giving the PSAT to all juniors on Wednesday, October 12, 2022. The PSAT is a nationally recognized assessment. High scores on the PSAT can help students qualify for the National Merit Scholarship, prepare students for the SAT and can exempt students from having to take the new state CCRG (College Career Ready Graduate) courses before graduating from high school. **Please be on the lookout for communication from our testing coordinator, Mrs. Sarah Tugman for additional details.** Juniors were notified about this assessment during Junior House this past Friday.

As always, thanks for being a part of the Middle College family. Have a great evening!

### Covid-19 Protocol - Updated August 15, 2022

What to do if your student is sick/symptomatic, tests positive or is identified as a close contact for Covid-19:

- **Step 1: Notify the principal immediately (Positive, Symptomatic, or Close Contact)**
- **Step 2:** Fill out the [DTCC Contact Tracing Form](#) *(If you are positive or symptomatic only!)*
  - **Update:** Quarantine/Campus restriction is not required for close contacts. You may come to campus but must wear a mask 100% of the time for 10 days. If you become symptomatic within those 10 days, please start back at Step 1.
- **Step 3: Stay home and wait to be contacted** by the DTCC Covid response team. They will provide the student with next steps. (Please note that due to the number of cases, this could take 24-48 hours)
- **Step 4: Notify all teachers and instructors** that you have activated the Covid-19 process.

- **Step 5:** Provide BOTH the MCHS principal AND the DTCC Covid-19 team with all positive or negative test results.
