

# COURSE CREDIT

## CDM: CREDIT BY DEMONSTRATED MASTERY

Credit by Demonstrated Mastery is a two-phase process by which students can earn credit for a course by demonstrating a deep understanding and mastery of application of the content standards *prior to classroom instructional time*. Students who accomplish CDM will receive a pass/fail grade and course credit.

- **High School Students:** All DPS high school students are eligible to request an opportunity to earn credit through CDM.
- **Middle School Students:** All DPS middle school students may request a CDM opportunity for any high school course offered at the middle school level.

### Phase One / Exam

Students must score at 90% for advancement to Phase Two.

### Phase Two / Application

Students complete an artifact to show application of knowledge.
