

Hello Families, My name is Mr. Smith and I am the school counselor here at Y. E. Smith. I hope that all of you are well and keeping safe. We are now living in a new normal due to the COVID 19 virus. Because of the COVID 19, we have started this year off with students learning virtually. To optimize student learning my focus will be to enhance each of our student's wellness and increase their social-emotional learning. I will be offering regular school counseling services to our students and families daily. Should you need any assistance, please feel free to contact me during my office hours from 2:30-3:30 on **Mondays, Wednesdays** and **Fridays** at phone **919-886-6139** and 919-560-3900 ext. 40226. Additionally, you may contact me by email at **elbert_smith@dpsnc.net**.
