Adjustments to Little River Remote Learning Schedule for Quarter 2

- **Adjustments for Quarter 2¹**

- Little River provides synchronous learning opportunities a minimum of 3 days per week; Monday, Tuesday, and Thursday. Special Education services will occur per students' IEP on M, T, R, and F. Specials occur a minimum of 3 days per week (M, T, R) asynchronously. Wellness Wednesdays will not have any required academic screen time. Students will have multiple screen free breaks during instructional sessions as indicated below

Grade Level	Maximum F2F Time before a Scheduled Student BREAK
PreK	20 minutes/session
K	30 minutes/session
1-2	30 minutes/session
3-5	45 minutes/session

- Screen Time-Daily screen time does not exceed 3 hours per day as indicated:
 - Synchronous-165 minutes²
 - Asynchronous-85 minutes³
- Individual synchronous learning sessions for elementary students (PreK-5) do not exceed 45 minutes.
- K-2 experience Literacy & Math prior to 11:45 am (lunch).
- Literacy, science and/or math instruction for grades 3-5 are structured to occur prior to 11:45 am to the extent possible.

¹ Rationale: Create developmentally appropriate schedules for our youngest learners (PrK-5); Create opportunities (screen breaks) within the instructional day for socializing, individual academic work, reflection and self-care; Response to feedback from staff, parents and families regarding the frequency and amount of screen time for our youngest learners

² Requires all participants to be present at the same time, virtually

³ Does not require all participants to be virtually present at the same time
