Dear Parent/Guardian,

As a parent/guardian of a student in Lowe's Grove Middle School, I am writing to inform you that Lowe's Grove Middle School has been designated as a Targeted Support and Improvement-Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. As stated in ESSA Section 1111(d)(2), North Carolina had to identify schools for targeted support and improvement. TSI-AT schools in North Carolina are those that have a subgroup that is under-performing. The intent of this opportunity is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction.

As a TSI-AT school, Lowe's Grove Middle School is required to develop a comprehensive plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor the progress of our school. The comprehensive plan will address the following areas:

- Classroom Management
- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for Lowe's Grove Middle School this year:

- At least 47% of our students will be proficient in Reading and 46% of our students will be proficient in Math.
- At least 52% of our students will be proficient in 8th grade Science.
- 100% of our students will be proficient in Math 1.

Our students need to experience higher achievement levels, and it will require hard work on the part of staff, students, and families. Here are some strategies *Lowe's Grove Middle School* will be implementing:

- School-wide intervention during the school day in reading and math.
- Progress monitoring for all students in core classes.
- Increased instructional time that includes an intervention block.

Parent/Family engagement is at the heart of our school improvement efforts. Here are some ways you can help:

- Make sure that both you and your student are aware of academic expectations set for your student this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).
