Neal Middle School Parents/Guardians:

Great news! This year, Take Two will be held at Neal Middle School from Wednesday, June 15 – Friday, June 24, 2022. Take Two is an opportunity for students to receive remediation and retake assessments for which they score Not Proficient (below a level 3) on their EOG and/or EOC assessments.

We are committed to providing all students with an excellent education. Your child will participate in the regular administration of the North Carolina End-of-Grade (EOG) tests from May 27-June 10, 2022.

Students who score Not Proficient (below a Level 3) on the EOG assessments are not considered grade-level proficient and will need to retake the assessments.

If your student scores Not Proficient (below a Level 3) on the Math, Reading and/or 8th Grade Science EOG, your student will be eligible to receive remediation and will need to participate in the retake assessments during Take Two at Neal Middle School. Transportation, breakfast, and lunch will be provided. Additional information will be shared after the first administration of the EOG is held.

Please note that Neal Middle School will be given a limited number of seats for the Take Two retake program. These seats will be filled on a first-come, first-serve basis. After the first seats are filled, all confirmations will go on a waitlist.

If your child scores Not Proficient (below a level 3) on an EOG/EOC, your child will be expected to attend Take Two.

As a result, we are asking all parents/guardians to complete pre-registration on the back of this form, as this will allow us plenty of time to arrange transportation and plan. Also, you can see our school website to complete an online Google Form for pre-registration. Please return the completed form to the main office or complete the online form by Friday, May 27, 2022.

Sincerely,
