

2022-2023 Eagle Institute Sessions

On early release days and some required teacher workdays, we will host a professional development series called "Eagle Institute". Teachers will have an opportunity to earn CEUs with each session. Eagle Institute will take place on October 24, November 8, February 8, and April 10, with additional sessions as needed.

Sign up for sessions [here](#).

Topic	Facilitator	Description
<u>1</u> Technology Assistance/Resources	Justin Wylie	Dyknow, Flocabulary, all things tech!! Join Mr. Wylie for a session to learn about our school technology resources (implementation, setting up classes, co-teaching).
<u>2</u> Standards, Testing, and Assessment Strategies	Marjorie Wilson	Walk through unpacking standards, essential questions, and I can statements. Understand your curriculum maps and resources you can use to make real-world connections. Understand how to utilize the district resources to maximize classroom instruction.
<u>3</u> ESL/ELL Support and Resources	T'oluwalase Fashoro Princesa Santiago Leah Erlbaum	Discover strategies and practices to help your ESL/ELL students in your classroom. Understand the ESL testing process and how to help your students exit ESL services.
<u>4</u> ELA Support for Studysync	Stacie Warner	StudySync is an integrated reading, writing, and review platform, designed to advance critical thinking, reading, writing, language, speaking and listening skills, and address critical language standards.
<u>5</u> Student Services Support Team	Jacqueline Valachovic Harold Phillips	Understand the support our school and district provides to our students (mental health, colocated services, homebound, etc).
<u>6</u> Behavior Science and Data Dives	Chabre Phillips Torja Silver	Classroom management refers to the wide variety of skills and techniques that teachers use to keep students organized, orderly, focused, attentive, on task, and academically productive during a class. Understand ways to manage your classroom behaviors to maximize instruction.
<u>7</u> EC Resource/ Inclusion Support	Jennifer Smith Stacey Burns	A co-teacher is paired with another teacher in the same classroom to share duties like the creation of lesson plans, instruction, and assessment of students. Co-teachers work as a team to plan lessons for students and then carry them out through collaboration in a variety of ways throughout the year. This session will focus on the 6 models of co-teaching and how to plan a lesson with your co teacher to better understand and help students with learning disabilities.
<u>8</u> Gender Identification Guidelines	Lauren Habel Ashley Bennetone	Understand how to support your students who are non-binary, transgendered, and prefer different pronouns.
