

# #MangumReads

MangumReads is back and it has a different look to it. The format has changed to allow for more family engagement with Reading. We want MangumReads to be a family goal this year. This year MangumReads will be based on points. Each reading activity below is assigned a point value. The goal to complete MangumReads is 500 points. Families that reach 1000 points will receive a big reward at the end of the school year. All points will be tracked by me. If you have any questions, please contact me at [Matthew\\_jones@dpsnc.net](mailto:Matthew_jones@dpsnc.net).
