Athletic Student Pick-Up Permission Form

Athlete's Name: (print) _____ **Sport:** _____ **Grade:** _____

Emergency Contact's Name: _____ **Phone:** _____

I understand that my child must ride to all away games on the Durham Public Schools bus with the team. Although bus transportation is provided to and from the school for away games, I am opting to pick up my child from the game site. I release the school from liability once my child is picked up from the game.

By signing below, I am allowing my child to be picked up after the game, instead of being transported back to Rogers-Herr for normal student athletic pick-up.

If you have any questions at any time, please contact your child's coach or athletic director, Andre McCollum.

Please initial beside each game date below, giving your child permission to be picked up from the game site.
