

Week of September 13, 2021

Good Evening, Pearsonstown Families,

This is Mike Mattia, Assistant Principal, with the Panda Nation update for the week ahead.

Families, we have several important dates to remember this week. We will have an Early Release Day on Wednesday, September 15th. We will begin to dismiss students at 1:15. We will have a Teacher Workday on Thursday, September 16th. There will be no school for students on Thursday. Don't forget, our intersession will begin on Monday, September 20th, and students will return on Monday, October 11th. I know everyone is looking forward to a restful intersession!

Students in grades 3-5 will be completing End of the Quarter Benchmark Testing this week. Please make sure students are on time and ready to do their best! There will be a "Battle of the Books" Interest Meeting this Wednesday, September 15th, at 8:30am in the Media Center. Any 4th or 5th grade student who is interested is welcome to attend.

The PTA would like to announce that we hit our Boosterthon goal of \$50,000! Thank you to everyone that registered, shared and donated! A portion of these funds will be used toward purchasing playground shade.

Please join Ptown PAAC for Soulful Yoga with certified yoga instructor, Karen Taylor Bass, on Wednesday, September 15th from 6-6:45p. Soulful Yoga uses music to connect the mind, body and soul, and brings in techniques from African, Indian, Caribbean and Western cultures. You and your children will be left feeling relaxed and rejuvenated at the end of the session. See the PTA webpage and Facebook page for more information and to register. Email ptownpaac@gmail.com with questions.

Those are all the announcements for the evening...Thank you, and remember, "You Just Can't Hide that Pearsonstown Pride"... Everyone, continue to be safe and brilliant and have a restful evening!
