The Southwest Elementary PTA is sponsoring a GOTV postcard writing initiative for Georgia voters. The project is run by the non-partisan organization The New Georgia Project This is a great opportunity to talk with our kids about the importance of voting to keep our democracy strong. Email annelklar@gmail.com to claim your packet! We'll provide the postcards, stamps, addresses, and instructions. All you'll have to do is write a couple sentences on each postcard and mail them out by **Tuesday November 24**. Join us on zoom for a community building postcard writing party on Saturday 11/21 @ 10am. Register here for the link:
