We believe children need exposure to different languages and cultures to gain an appreciation for the world around them.

ISLA Verano is an exciting Spanish Outdoor Exploration Program for students in grades rising kindergarten through rising 5th grade. Students will have the opportunity to travel with us for six weeks of Spanish immersion; learning SPANISH through culture, in a fun and interactive environment. Through our “Un Viaje de Aventuras” theme, your child will take imaginary trips to Spanish-speaking countries, such as Bolivia, Panamá, Chile, Costa Rica, El Salvador, and Venezuela by combining fantasy, culture, stories and other fun activities.

Join in on this fun adventure this summer at West Point on the Eno in Durham from June 21- July 30, 2021, Monday-Friday, 8:30am-3:30pm (with after care hours available from 3:30pm-5:30pm for an extra \$15 per day, per child) for only \$280 per week! Save your spot with a \$50 non-refundable registration fee per child TODAY!
