This year, Mr. Frasz partnered with the DINE nutritionist from the Health Department, Kim Barrier, to provide your student nutrition lessons. The DINE program is provided to Southwest by a federal grant. To improve the program will you please take just a few minutes to complete this survey?

Also, there is an opportunity for you to have a few FREE nutrition lessons focusing on planning and cooking healthy meals on any budget. The lessons are self-paced and are provided by the DINE program. If you are interested follow this link and fill out the survey.
