After clicking on “Check for updates,” the updates will download. Once the download reaches 100%, the updates will begin, which means you will still need to wait up to 5 minutes before receiving a “Restart” prompt from the computer. Once you restart the computer, it will be up-to-date.

Después de hacer clic en "Buscar actualizaciones", las actualizaciones se descargarán. Una vez que la descarga alcance el 100%, comenzarán las actualizaciones, lo que significa que aún tendrá que esperar hasta 5 minutos antes de recibir un mensaje de "Reinicio" de la computadora.
