

**GetACP.org**

# Affordable Home Internet. Made Easy.

EducationSuperHighway's easy-to-navigate wizard helps applicants figure out if they qualify for the Affordable Connectivity Program (ACP), what they'll need to apply, and how to connect to home internet plans that are **free with the ACP**.

## PREPARE

- Quickly determine your eligibility and work out the best form of ID to use when applying

## GET HELP

- Multilingual support for eligible households
- Live support to answer FAQs and create an email address

## SAVE TIME

- Personalized checklist to speed up the application process

## FIND PLANS

- Discover available internet plans that are free with the ACP benefit

### *How it works*

GetACP.org helps overcome documentation issues that prevent 45% of applicants via the National Verifier from qualifying.

Just answer a few simple questions and we'll guide you step by step. **It takes about 5 minutes.**

The **Affordable Connectivity Program** (ACP) is a federal government program that provides a benefit of \$30 per month for internet service and a one-time discount of \$100 for a laptop, tablet, or desktop computer with participating providers.
