Spectator Etiquette:

At Lowe's Grove Middle School, we believe in positive support and commitment from our Viking Family. When at games, home or visiting, please remember to only cheer positively toward either team, let the players play, and the coaches, coach. Do not approach the benches during the games or address the referees before, during or after the games. We expect our families to encourage their athlete and uphold the standards of Lowe's Grove at all times. We want everyone playing for or against Lowe's Grove to know that we have Viking Pride and that all teams and communities are welcome here.
