DURHAM PUBLIC SCHOOLS

Welcome Class of 2023

Southern School of Energy and Sustainability
Freshman Academy Transition Day 2019

Welcome to the Southern family. To help you begin your freshman year with the best start possible, we are inviting all incoming freshmen to join us for Freshman Boot Camp 2019. Get an early start on joining one of our many clubs, meeting teachers and new friends and learning about the rich history of Southern School of Sustainability and Energy. Last year, three hundred freshmen attended our summer camp. We had a wonderful time. We cooked hot dogs, had a scavenger hunt, and gave prizes to the students. Now, it is time for the Class of 2023 to join the fun. Join us Thursday, August 1 from 9am-1pm. We look forward to showing you our "Southern" hospitality.
