

DPS Virtual Family Information Night

Wednesday, February 8, 2023

6:15 p.m. – 7:15 p.m.

The New Generation of Advanced Placement/AP

Advanced Placement (AP) courses prepare students to pursue college-level studies while still in high school. Advanced Placement courses can earn students college credit and/or qualify students for more advanced college courses.

BigFuture

BigFuture is a **free**, comprehensive set of digital resources that helps **all** students. With over 100 years of College Board expertise, feedback from students, & insights from professionals, BigFuture offers students 13 and older a personalized dashboard which simplifies the complex processes of planning for college, paying for college, and exploring careers.

To register, visit bit.ly/3R2C5iM

Sponsored by the Office of Advanced Academics, Durham Public Schools.

Free for all DPS students ages 13 and older.

Plan for College

COLLEGE SEARCH

Students can search and filter over **3,000 college profiles** with rich content about campus life and admissions provided by the colleges themselves.

STUDENT SEARCH SERVICE™

On average, students contacted by colleges through this service receive **29% more college admission offers**.

Pay for College

SCHOLARSHIP SEARCH

Students explore and match with over **\$4 billion** in scholarships each year.

BIGFUTURE SCHOLARSHIPS

Juniors and seniors who complete steps on their dashboard earn entries for monthly scholarship drawings that award **nearly \$3 million** each year.

FINANCIAL AID RESOURCES

We offer guides and an Expected Family Contribution Calculator to help families understand college costs, student loans, the FAFSA®, and more.

Explore Careers

CAREER SEARCH

Students connect their interests and skills to over **1,000 career profiles** across a variety of education levels. They can view job requirements, projected salaries, and growth potential.

Explore the dashboard, resources, and more at bigfuture.org.
