

Email Settings

iPhone

Android

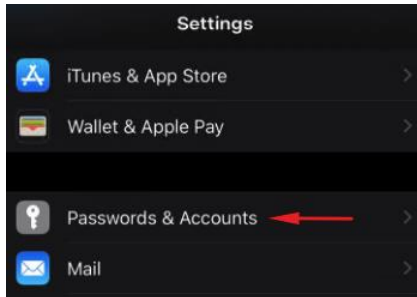

The following pages will show you how to get to your email settings on both Android and iPhone devices.

Changing Email Settings on iPhones

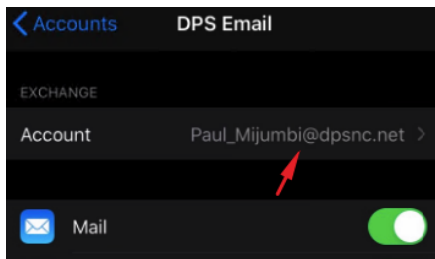

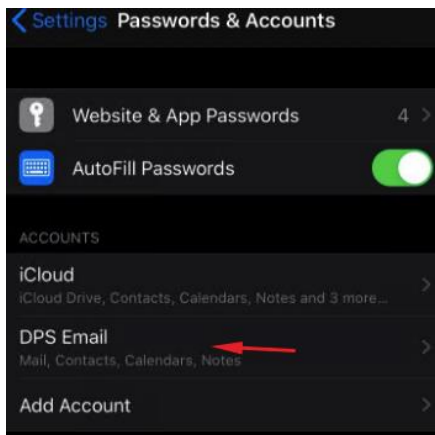

Select the Settings Icon

Go to "Passwords and Accounts"

Select the account you want to change

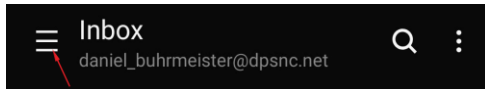

Changing Email Settings on **Android Phones**

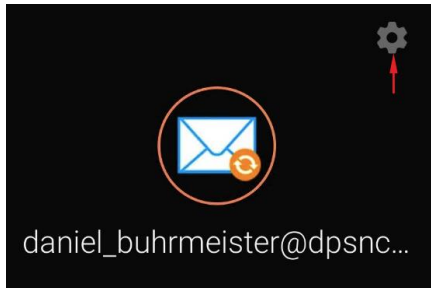

Open the Email app.

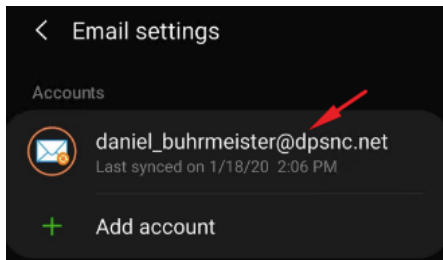

Click the menu icon

Select the Settings Icon

Select the account you want to edit

Scroll all the way to the bottom to find "Exchange server settings"
