

OPERATION SUMMER LEARNING

- There are 3 summer learning options available this summer. The goal of these programs is to ensure all students in Durham, have the opportunity to be on track or ahead in their pursuit of their high school diploma.
- Credit recovery options are available for students that need to get back on track for timely graduation.
- Ignite! and NC Virtual/EdOptions Academy courses will allow students to get ahead and build flexibility into their schedule.

CREDIT RECOVERY AT SOUTHERN

High School students that failed a course needed for graduation will be able to recover those courses during one or two summer sessions at Southern, Monday - Thursday with asynchronous activities on Friday, either in person or virtually if preferred.

Session 1: June 14 - July 2 **Session 2: July 12 - July 30**

Time: 9:00am - 1:00 pm

Breakfast, Lunch, and Transportation provided.

IGNITE! ONLINE ACADEMY

These courses are designed to help students accelerate and be taught by DPS teachers.

The course will be 6 weeks (**June 14 - July 2 and July 12 - July 30**).

Students will be required to work both synchronously and asynchronously.

Courses available: Health & PE, Chemistry, Physics, Civics & Economics, Pre-Calculus, Math II

Students can request one of the six Ignite! Courses directly through this [form](#).

NCVPS/EOA acceleration options also available - talk to your counselor!
