JHS Alumni Association (Raphael, Barringer)

- Raphael: goal is to go back to the individuals we represent to see if we need to include an alumni association voter in SIT. Next meeting we will discuss adding this additional voting member.
- Barringer: has been running association 11-12 years – a group of 6,000 active alumni contacts going back to 1963.
- Alumni association holds annual reunions, helps coordinate tours and events.
- Alumni association has been part of the principal selection over the years, but this participation “has never been codified”.
- Alumni association has deep communal and familial ties to JHS, which warrants participation in the SIT committee.
