Friday May 17, 2019	Music Theory	Computer Science A

If you decide not to test, you will be charged the College Board Restocking fee of \$15. Please see Ms. Oertel if you have questions or concerns.

You should bring the following items to the exam location:

- Several sharpened No. 2 pencils (with erasers) for completing multiple-choice answer sheets.
- Pens with black or dark blue ink for completing areas on the exam booklet covers and for free-response questions in most exams.
- A watch (in case your exam room does not have a clock that you can see easily). * See below
- Up to two calculators with the necessary capabilities if you are taking an AP Biology, Calculus, Physics, or Statistics Exam. (Visit <https://apstudent.collegeboard.org/takingtheexam/exam-policies/calculator-policy> to learn more about the calculator policy for each of these exams, and for a list of authorized calculators.)
- A ruler or straightedge only if you are taking an AP Physics Exam. (Protractors are not allowed.)
- Some colleges and universities use Social Security numbers as student identifiers when assigning AP credit or advanced placement for qualifying AP scores. While the College Board does not require students to provide their Social Security number, they may want to check with the college or university where they are sending scores to see if they prefer for students to provide a Social Security number on their AP Exam answer sheet.

You should not bring the following to the exam room:

- Electronic equipment: (cell phone, smart phone, tablet computer, etc.), portable listening or recording devices (MP3 player, iPod, etc.), cameras or other photographic equipment, devices that can access the Internet, and any other electronic or communication devices like smart watches.
- Unapproved aids: Books, compasses, mechanical pencils, correction fluid, dictionaries, highlighters*, notes or colored pencils*
- Rulers, straightedges, and protractors (except as noted above).*
- Scratch paper; notes can be made on portions of the exam booklets or, for Chinese Language and Culture and Japanese Language and Culture, on scratch paper provided by the proctor.
- Computers* or calculators (except as noted above).
- Reference guides, keyboard maps, or other typing instructions.
- Watches that beep or have an alarm
- Clothing with subject-related information
- Food or drink*

* Unless this has been preapproved as an accommodation by the College Board Services for Students with Disabilities office prior to the test date.

You are required to arrive at the testing site no later than 30 minutes prior to your exam: **7:30** a.m. for the morning administration and **11:30** a.m. for the afternoon administration. *Students participating in morning exams will be excused from periods 1 and 2. Students participating in afternoon exams will be excused from periods 2 – 4.* Students may not be dismissed until an exam has officially ended; do not ask to leave early if you finish before the end of the exam. If you play a sport or have a job, it is your responsibility to inform your coach or employer of your AP Exam obligation, and arrangements should be made accordingly.

Get a good night's rest before your exam, and eat a nutritious breakfast. You are allowed to bring a snack and beverage to the testing site for your 10-minute break. **However, food and drink are prohibited in the exam room.** Students taking both a morning and afternoon exam on the same day should bring a lunch. It is advisable to bring a sweater, in case the room temperature is below your comfort level.

You are required to abide by the policies of both the College Board and Jordan High School during the exam period. Any misconduct will be reported and could jeopardize your AP Exam score. **If you decide not to take an exam, please inform us as soon as possible prior to the test administration.**

Be sure to review the *2018-19 Bulletin for AP Students and Parents* that you received in February. If you have any additional concerns, please feel free to contact your school counselor. Good luck!

Ms. Sarah Oertel
2018-2019 AP Testing Coordinator
