Notification of the Risk Relating to Coronavirus/COVID-19 in the attendance or use of Learning Centers located at Durham Public Schools

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people. Durham Public Schools ("DPS") has put in place preventative measures in accordance with federal, state, local, and CDC guidelines and orders to reduce the spread of COVID-19. Our district has implemented safety precautions in all of our buildings; however, it is important for parents and students to understand that school districts can only mitigate the risk of COVID-19. No district, organization, or business can offer 100% protection against exposure to a global pandemic. DPS cannot guarantee that you or your child(ren) will not become infected with COVID-19. Attending and being present at the Learning Centers could increase your risk and your child(ren)'s risk of contracting COVID-19.

I acknowledge the contagious nature of COVID-19 and the risk that I and my child(ren) may be exposed to or infected by COVID-19 by attending the Learning Centers located at DPS sites and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I further agree for myself and my child(ren) to adhere to CDC guidelines and the Durham and NC Department of Health and Human Services guidelines for safety measures regarding COVID-19.

I HAVE READ AND FULLY UNDERSTAND THE ABOVE.
