## Request for Absence to be Excused for Educational Opportunity\*

For an absence to be excused for an Educational Opportunity, the intent of the experience should have been educational from the outset and should be comparable to that which the student would have experienced in school. Family trips and vacations that were not initially designed to be educational will not be excused. Signing this form ensures that this absence is for a valid Educational Opportunity. In order for the Educational Opportunity to be approved, students must submit a summary (up to two pages) of their educational experience to the data manager upon returning to school. Students are also responsible for completing all assignments missed during their educational leave.

As the parent/guardian of \_\_\_\_\_, I assure that the absence from school for the dates of \_\_\_\_\_ is for an educational opportunity of comparable value to my child's attendance in school.
