

# DECEMBER 6TH

## FAMILY LITERACY NIGHT

### Parent Sessions Offered

#### **\*What is Readers and Writers Workshop?:**

Experience a reading mini-lesson to see what literacy looks like in your child's classroom. Learn more about the structure of literacy here at Club.

#### **\*Letterland activities/ games:**

Learn how to support your child's phonics learning through fun Letterland games.

#### **\*Reading to your child/ comprehension questions:**

Learn how to support your child's comprehension as you read together using targeted questioning.

#### **Extending your child's learning:**

Just because your child is a proficient or advanced reader does not mean that you can't continue to challenge them. This session will show you how to extend what your child is already learning.

#### **Duke- LTP session:**

Duke 's Literacy Through Photography program has a strong relationship with Club. Learn more about what this program is about and how it fits with both our literacy and humanities program here at Club.

#### **Public Library Resources for families:**

Learn about the free programs and resources Durham Public Libraries offer for children and their families.
