

Burton Magnet Elementary School Named Magnet School of Distinction by Magnet Schools of America

January 28, 2022

Burton Magnet Elementary School has been named a National Magnet School of Distinction by Magnet Schools of America, the national association for magnet and theme-based schools.

Burton is proud to be an International Baccalaureate Primary Years Programme. Our students are encouraged to be well-rounded global citizens who explore the world around them through an inquiry based approach to learning. We are also proud to be a Capturing Kids' Hearts National Showcase School and National ESEA Distinguished School.

Presentation of Distinction Award:

Tiffany Boss will be recognized and receive a National Magnet School of Distinction Award on behalf of the school during an awards ceremony held at Magnet Schools of America's 39th National Conference hosted by Clark County School District in Clark County, Nevada, April 18-22, 2022.

To receive a national merit award, members of Magnet Schools of America must submit a detailed application that is scored by a panel of educators. These schools are judged and scored on their demonstrated ability to raise student academic achievement, promote racial and socioeconomic diversity, provide integrated curricula and instruction, and create strong family and community partnerships that enhance the school's magnet theme.
