

Good evening,

Good evening Southern SES family! This is Mr. Leathers with the weekly update.

All parents, please make sure that your student is current with their immunization shots. Southern SES will start reviewing students' immunization shot records and those students that are not current with their shots will be suspended until their immunization shots have been made current. Parents, the last thing we want to do is suspend a child, but it is important that we are compliant with state law.

We are quickly approaching the end of the school year and it is very important that we make sure that all students are reporting to school on a daily basis and are arriving on time.

All students should have shown you their report cards for the third 9 weeks. Please make sure that you review your students report card and call the school if there is a need to speak with your students' counselor about their grades.

This past Saturday, our young ladies had the opportunity to find a prom dress for free at the Popup prom dress event. There are many dresses to choose from if a female student was unable to attend. Please see Ms. Bingham if you are still looking for a prom dress.

Our Home athletic events schedule for this week
April 19 Girls Soccer vs Hillside High at 6:00 pm
April 21 Softball and Baseball vs Vance HS
