

## DRIVERS EDUCATION

The following are the dates and times for the summer classes for Driver Education. The registration dates and times are posted for each class. **Please remember, you may only register for a class at the school you are enrolled in. If you register for a school, you do not attend, you will be removed from the registration.** All classes meet over zoom and if your registration is accepted you will be notified once we have confirmed your registration with the class information. Students must be 14 ½ to register for a class. Payment information will be given on the first day the class meets. Links to the registrations will be on the schools' website.

### **Southern High School**
