

# FRESHMAN HOME ROOM TEACHERS

You can win a **GAS CARD**, and  
can win **DONUTS** for your  
homeroom!

Here is how, it's easy!

- Hand out Wellness Center Registration Packets or Have students send the QR code to their parent or guardian to complete.
- Collect Wellness Center Registration Packets
- Place in folder given to you from the Wellness Center
- Turn in **COMPLETED** registration packets in by September 30, 2024

**\*\*WINNERS ANNOUNCED BY October 4<sup>th</sup>\*\***

## **Questions Answered:**

### **How do we win?**

The homeroom that turns in the most completed registration packets will WIN donuts and the teacher will WIN a gas card.

### **What if we run out of Registration Packets?**

More registration packets can be obtained from the Wellness Center in both English and Spanish. We also have it on a QR Code which we are sending to all.

### **How long is this registration packet good for?**

A student only has to have the parent or guardian fill it out ONE time, and it will be valid until they graduate. Yes, that's right, every year until they leave.

### **Why is it only Freshman Home Rooms?**

If you have a homeroom that you want to compete with, feel free. We did not think all grades would be able to get as many registered due to already having some registered.

### **What if all the students in my homeroom are already registered?**

That is AMAZING! Thank you, however, this is only starting this year for the contest.
