

TAKE CHARGE OF YOUR FUTURE!

Join Us for AP Summer Scholars Camp

CALLING ALL DPS PRE-AP AND AP STUDENTS!

Rising 8th – 12th graders taking an AP Class in 2019-20 or students who want to know more about AP Classes are encouraged to enroll.

This year rising 8-10th graders will have the opportunity to select courses based on interest. Whether students are registered for the course or not, they will be introduced to various AP content and work on developing specific strategies and skills.

Rising 11th & 12th graders will have the opportunity to have focused instruction and strategy building on Wednesday with access to teachers for summer assignment support on Thursday.

GOALS OF THE CAMP:

AP shouldn't be intimidating. AP Summer Scholars Camp will help students:

- prepare for academic excellence in AP courses
- learn how to manage a demanding course load with organizational and study skills that apply to high school and college.
- see an overview of several different AP courses
- have assistance on AP summer assignments.
