

The Lucas Middle School Leopards booster club, established in 2012, raises monies through the involvement of parents, members of the residential and business community. These monies and the efforts of volunteers will help keep the costs down that would otherwise come directly from the athletic budget provided by Durham Public Schools.

All memberships purchased for the 2017-2018 academic year will expire at the end of the academic school year. All memberships will be given PTSO non-profit information for taxes.

Levels of membership (cost and what it includes):

**Corporate:**

**\$300 – Company will receive large logo on sponsor board located at football field and sponsor board located in gymnasium. Entire family will have access to all home sporting events the entire academic year.**

**Personal:**
