

Join Student Council!

We want to represent the student body in a way that encompasses **every** individual at Northern High School, in order to create necessary **changes**. We strive to make Northern High School an **inviting** environment that students take **pride** in. We want every **voice** to be heard, considered, and implemented into one **UKnighted** body. Everyone has their opinions, and we want to hear **yours!**

Interested in applying?

See Ms. Mills in E-11 or Ms. Wagner in E6 for an application.

Applications are due Sept 2nd!
