

June 8, 2022

Dear New Mavericks:

Welcome to Maverick Nation! I hope this letter finds you well and I wanted to take this time to thank you for joining our educational community. The Student Services Department and I are busy planning for the 2022-2023 school year and we are planning with **you** in mind. We are planning MavCon 2022, orientations, college textbook distribution, social engagement events and much, much more. On the next page, you will find a list of upcoming events and reminders.

Middle College High School at Durham Tech is a unique learning environment that will challenge your student to grow intellectually, civically and as a leader. With your partnership, we will help your student develop knowledge and skills that will propel them forward in their post-secondary aspirations. In order to strengthen our partnership, please consider joining our PTSA and/or our School Improvement Team by reaching out to me directly via email at crystal_taylorsimon@dpsnc.net. If you need any additional questions answered regarding our upcoming events, please contact the main office at 919-536-7203 ext. 1211.

Thanks so much for trusting us with your student's educational needs and we look forward to seeing you in the fall!

Sincerely,

Crystal Taylor-Simon, Principal
