

DURHAM
PUBLIC SCHOOLS

Thank you, DPS bus drivers!

I appreciate you for supporting the students of Durham Public Schools after they wake up in the morning and as they return home in the afternoon.

As bus drivers for DPS, you are an important representative of our schools and school district. Families entrust their children to you, and you keep them safe. Driving a DPS school bus is a tremendous responsibility, and I appreciate your commitment every day.

Keep driving, keep watching out for our children, and keep being a valued part of our team as we **ignite limitless potential** in Durham Public Schools.
