

WEEKLY UPDATE – 11-14-22

Good evening Southern SES family...this Mr. Leathers with the weekly update!

I hope that this weekend has been enjoyable for you and that we are all geared up for another great week at Southern SES.

Parents, please make note that arriving to school on time for all our students is essential for us as we get closer to our final exams. Every minute of instructions will be very important for our students. I will see everyone bright and early at 9:15 am.

Parents...we will start Saturday Academy after the Thanksgiving break! In Saturday academy our students will be able to work with teachers in their subject areas of need. Saturday Academy will run from 9:00 am – 12:00 noon...starting Saturday, December 3rd. Students will have to provide their own transportation.

Each student must let their teachers know of their intent of attending and their teacher will forward the intent of attendance to the Saturday Academy Staff. If your student needs support in the areas of math, science, history, or English...Saturday Academy is for them.

If there is any student that is interested in Indoor Track, please make sure that you see coach McDonald or Coach Ragland in the gym for more information.

Congratulations to our varsity football team for their victory over Henderson Vance High school. Now our young men move on to the 3rd round, to play Northern Nash County High School at Northern Nash High at 7:30 pm.

Home athletic events for this week:

Wednesday – Wrestling will have a quad meet starting at 5:30 pm. Please come out to support our young men in their first wrestling match of the season.
