Introduction

We look forward to providing an exciting summer, filled with tremendous summertime experiences that only Durham Public Schools can offer. Each summer is especially designed to offer opportunities for young people to extend their learning and engage in new experiences. This handbook serves as a reference guide for school leaders. It contains vital information about all district sponsored summer programs. Please review the entire handbook and share with your staff. It will be especially helpful to ensure your front office staff has a copy available when answering parent questions. If you have any questions or comments, please call or email the summer program contact indicated by the specific program. Additionally, you will find the following information:

- a summer programs “quick reference” chart
- a brief overview of each program; and
- parent letters and applications for programs with open enrollment.

Summer programs that serve specific students based on programmatic or NCDPI guidelines (i.e. Take Two, ESY, Read to Achieve and Project WIN) are not open to the public and are not included in this document. Please speak with the summer program contact if you have questions or need additional information.

If you have additional questions regarding a particular program, contact the summer program contact directly at the number listed in the 2016 DPS Summer Programs for Elementary Schools chart. To reach a district contact by phone, please dial 919-560-2000, and then enter the extension listed in the chart.
Program Descriptions

Take Two: Elementary Grades EOG Re-administration*: The Take Two Summer Program is a nine-day camp in which students will receive additional instruction and an opportunity for re-administration of the EOG in 4th grade math, 5th grade math or 5th grade science. In order to attend students were identified as candidates and pre-registered by their base school. The elementary components of Take Two will be housed at Hillandale Elementary and Creekside Elementary. Dates for the camp are June 14-24 with our instructional day beginning at 9:00 a.m. and concluding at 3:00 p.m. Transportation and meals are provided.

Operation Literacy: Mission Possible!: In preparation for the Read to Achieve Gateway and accelerated academic success, Operation Literacy: Mission Possible specifically targets kindergarten readiness, as well as reading needs and deficits, for rising kindergarten and first grade students. This intensive four week gateway experience serves students who currently attend the following elementary schools: Bethesda, Glenn, Merrick-Moore, Oak Grove, and Spring Valley. Operation Literacy will be offered June 20 - July 14, 2016, Monday - Thursday, 9:00 a.m. - 3:45 pm at Merrick-Moore Elementary School. Transportation and meals are provided.

Project RAISE 21st Century Summer Camp: Project RAISE provides enrichment activities and hands-on math and science sessions during the summer for children of all backgrounds and physical and intellectual abilities. Students work in small group activities with teachers and youth development workers. In addition to receiving academic support through math and science, students participate in physical activities, interact with local visitors to increase awareness of the STEM field, and participate in field trips and other explorations as planned for the summer. The program’s overall goal is to improve student proficiency in all subjects by the end of camp through the implementation of unique hands-on learning experiences.

English as a Second Language Academy*: The three week ESL Academy will target ELLs who are within the first three years in US schools. The academies will run Monday through Friday with the focus on project-based learning, as well as accelerated English, math and technology instruction, supports the attainment of real-life experiences. Students will grow in both social and academic English. NOTE: ESL Academy will be offered at Forest View and Holt sites only with transportation offered to the Read to Achieve summer camp feeder schools only.
Extended School Year* (ESY): The Extended School Year (ESY) services, provided by the Exceptional Children’s Department, offers educational services to qualifying students with disabilities who have an Individualized Education Plan (IEP). Eligibility for ESY services is determined by IEP teams only. (There is no application process.) IEP teams evaluate data on student progress related to retention and recoupment of skills and critical emerging skills. Students who qualify receive individualized services, which focus instruction on specific IEP goals for each student. The parent of each qualifying student will receive a letter outlining their child’s individualized ESY service delivery dates, times and location.

DPS/Duke TIP Adventures in STEM: Adventures in STEM is a free one-day academic enrichment program for gifted Durham fifth and sixth graders who qualify for TIP and are interested in Science, Technology, Engineering or Math. This one day adventure is full of advanced, hands-on academic instruction in today’s most vital fields. Thanks to a grant from Longfellow Real Estate Partners, this special program from the Duke Talent Identification Program is free to academically talented fifth and sixth graders living in Durham County. Qualifying students will be able to choose a course of special interest to them on one of three dates when applications open in late April.

Legal Eagle Law Camp - Legal Eagle Law Camp is co-sponsored by Community Education & Family Engagement and North Carolina Central University School of Law. The goal of the camp is to offer participants exposure to the field of law. The camp is for rising 7th-10th graders and is limited to the first thirty-six participants who register. The camp will be held at NCCU School of Law June 27- July 1 from 9am - 4pm. Brochures and registration forms are located on the Before & After-school website.

Community Education Traditional Camp - Community Education & Family Engagement will offer traditional full day camps for rising 1st -6th graders at Eno Valley, Spring Valley and WG Pearson. Camps will be held June 15 - August 12 from 7am - 6pm, Monday-Friday. Students will participate in weekly field trips, resources and much more. Students will receive breakfast and lunch. Brochures and registration forms are located on the Before & After-school website.
**Community Education Specialty Camp** - Community Education & Family Engagement will offer an exciting array of Specialty Camps for rising 1st -6th graders this summer! Classes will be offered Monday-Friday from 8-12pm or 12:30-4:30pm at Creekside, Morehead, Hillandale and WG Pearson. The following camps will be offered: Karate for Beginners, Mallets & Strings, I Like to Move it, Music Marvel, Play It Up, Let It Soar, Fit 4 All, Fitness Through Sports, D.R.I.V.E Academy, Celebrate, Bricks 4 Kids, Young Rembrandts, Jamming with Drums and Weaving It Wild. Students must be registered for all classes by June 10. Camp descriptions, brochures and registration forms are located on the Before & After-school website.

**Read to Achieve**: The goal of the Read to Achieve program is to ensure that every student reads at or above grade level by the end of third grade, thus enabling him/her to meet the third grade promotion standards. This twelve day, district-wide reading camp provides targeted literacy instruction for first through third grade students who do not meet the standard grade level reading proficiency as indicated on the North Carolina Third Grade End of Grade (EOG) reading test or mCLASS: Reading 3D Text Reading and Comprehension (TRC) assessment (first and second grade students).

**Project What I Need (WIN)**: Project WIN is a full-day three week camp that serves rising pre-kindergarten, kindergarten, first grade, and second grade students at our Project WIN schools. The goal is to provide early learning experiences that will enhance student success. Rising kindergarten through second-grade students will focus on previewing literacy standards and skills using engaging, high inter-promotion standards.

*Applications are not provided for these camps due to specific programmatic restrictions. Please communicate with the camp contact for more information.*
**Take Two: Elementary Grades EOG Re-administration**

The Take Two Summer Program is a nine day camp in which students receive additional instruction and an opportunity for re-administration of the EOG in 4th grade math, 5th grade math or 5th grade science. Students were identified as potential candidates for this program, utilizing EVAAS data and Case 21 Benchmark scores. In order to attend, students must have been pre-registered by their base school.

Schools will receive updated registration lists to verify student names, addresses, PowerSchool numbers, and EC, ESL, or 504 testing accommodations. Students who make proficiency on 4th or 5th math or 5th science will need to be removed from the registration list within 24 hours of receipt of testing scores. Schools will receive packets to send home with students who are registered and qualify for the Take 2 Program during the last week of school with information about camp site assignment, bus number, pick-up/drop-off times, and general camp information.

Re: Operation Literacy: Mission Possible

I am excited to inform you that Durham Public Schools will host an intensive four week summer learning opportunity for rising kindergarten and first grade students who attend the following elementary schools: Bethesda, Glenn, Merrick-Moore, Oak Grove, and Spring Valley. In preparation for the Read to Achieve Gateway and accelerated academic success, this summer learning experience, entitled Operation Literacy: Mission Possible, specifically targets kindergarten readiness, as well as reading needs and deficits. Therefore, students having no formal pre-school experience or identified as being behind in reading and/or needing more strategic literacy instruction, according to Kindergarten Registration Surveys and MOY Kindergarten mCLASS data, have been invited to attend.

Re:  Operation Literacy: Mission Possible

I am excited to inform you that your child has been selected to participate in Durham Public Schools’ Operation Literacy: Mission Possible summer learning opportunity at Merrick-Moore Elementary School. This is a FREE intensive four week summer camp that specifically targets kindergarten readiness, as well as reading needs and deficits, in preparation for the Read to Achieve gateway and accelerated academic success. Operation Literacy: Mission Possible will be held from June 20-July 14, 2016. Students will report daily Monday through Thursday from 9:00 am - 3:45 pm. Transportation, breakfast, lunch, and a light snack will be provided. All your child has to do is report on time daily ready to learn and we will take care of the rest.

A transportation schedule with approximate pick up/drop off times will be provided for all students prior to the last day of school. Copies of the transportation schedule will be available at the front office in your base school and can be viewed at the DPS website located at www.dpsnc.net.

This is an excellent opportunity for your student to get ready for kindergarten, improve his/her literacy skills, and further support overall academic success. We do not want you to miss out! Therefore, if you will please complete the attached Enrollment Form and return it to your child’s school no later than Tuesday, May 10, 2016, we will get your child registered and provide you with a confirmation letter and phone call.
