

Criteria to be Recommended for AP English III

*overall average of 90% or higher in Honors English II

OR

overall average of 85% to 89% in Honors English II AND a determination by the sophomore English teacher that the student exhibits a strong independent work ethic (completing assignments and make up work from absence in a timely manner without prompting), frequent and productive classroom engagement, and demonstrable growth.

Note: To compute the overall average, the 1st quarter grade, 2nd quarter grade, and current 3rd quarter grade at the time recommendations are made will be weighted equally.

Note: Students in Honors English II who do not meet the above criteria and any student in Standard English II still interested in AP English III would have to take and show success on the override assessment.
