

City of Medicine Academy Open Lunch Pass Contract

Eligible Seniors and their parent/legal guardian must come to school to sign the permission slip in front of an Administrator. If the Parent/Guardian cannot come to the school, this permission slip will have to be notarized and returned to school by the eligible student.

An Open Lunch Pass allows a classified Senior to leave the City of Medicine Academy campus during their assigned lunch break.

After the initial issuance of a lunch pass, continuance, suspension or reinstatement of the Open Lunch Pass will be based on individual student behaviors, school attendance and academic standing on a semester basis. Students who use the Open Lunch Pass privilege are subject to the rules of student conduct as applied to the regular school day as adopted by Durham Public Schools and City of Medicine Academy. Any disciplinary matter or misuse of the Open Lunch Pass may result in the revocation of the Open Lunch Pass privilege.

Failure to return to class promptly after your assigned lunch period may result in the revocation of the Open Lunch Pass privilege.

To leave school early after lunch, the student must officially sign out in the Main Office.

Students are not allowed to sit in cars or loiter in the parking lot during lunch.

Students with Open Lunch may return to campus early, but must abide by the established school rules and lunch rules. Students should report to the cafeteria and wait there until class begins. Students returning early should not loiter in hallways or at any campus location.

Students and their parents are responsible for where the student goes at lunch and for providing transportation.

The school assumes no liability for any accident or injury incurred in the exercise of the Open Lunch Pass Privilege.

A student driver is responsible for knowing if an occupant of the vehicle has an Open Lunch Pass. If in violation, this driver will lose their lunch pass and any parking privileges for a time determined by the administration.

Students are responsible to carry their Open Lunch pass credentials with them when attempting to exit campus.

Students may not return to school with food from outside vendors or deliver food to other students at CMA.
