

# Durham Public Schools

## Technology Required Use Terms and Conditions

### Electronic Device Check-out & Check-in Agreement

Durham Public Schools provides students with access to technological resources. Students will use this technology as a means to promote academic achievement and provide opportunities to enhance the educational experience. Students will use the technology in alignment with the DPS Technology Acceptable Use Policy. Students/Parents recognize that the DPS technological resources are owned by the school system.

#### **Return of Equipment**

1. All equipment will be returned on time to the designated point of contact in the condition it was provided to you.
2. If equipment is damaged, you will be required to file a damage report with your school point of contact.
3. If equipment is damaged, you may be financially responsible for fixing or replacing the device. Please contact the IT department for additional details – 919-560-3837
4. For iPad device, I understand that I cannot purchase applications on my DPS account. If I purchase any applications for the iPad on my personal account, I do not expect reimbursement from DPS.

The equipment described below is assigned to the student/parent for the purpose of accessing DPS technological resources for educational purposes. By signing below, I certify that the equipment indicated below has been assigned to me, and I hereby agree to abide by the terms of the DPS Technology Acceptable Use Policy, which I have read and understand.
