

ADDENDUM 1

Durham Public Schools Request for Statement of Proposal (RFP) FOR

RFP # 179-2324-234-CNS_EQUIP_WIF

Date: 11/16/23

ADDENDUM 1 – Questions and Answers

Q1. Can the opening day be pushed out by a week or two to allow for us to have trades complete site surveys?

A1. No.

Q2. Is there any written specification?

A2. Whatever is included in the bid is what is required.

Q3. Can we go to each school and do a site survey?

A3. It is unlikely you can reach each school ahead of the bid time. If you would like to schedule a site visit to understand at least one school site, you may contact David Bell, our equipment repair technician, and request assistance. However, he is not required to provide assistance if he is unable or unavailable (david_bell@dpsnc.net). You may provide a cost range or estimate based on similar work you have completed in the past.
