3.0 METHOD OF AWARD AND PROPOSAL EVALUATION PROCESS PROPOSAL REVIEW AND AWARD

It is the intent of Durham Public Schools to award this RFP to the responsible bidder(s) who best matches the needs of Durham Public Schools. Durham Public Schools reserves the right to reject any and all bids. All qualified proposals will be evaluated and awards will be made to the Vendor(s) meeting the RFP requirements and achieving the highest and best final evaluation.

While it is the intent of Durham Public Schools to award this RFP to a single Vendor, Durham Public Schools reserves the right to make separate awards to different Vendors for one or more line items, to not award one or more line items or to cancel this RFP in its entirety without awarding a contract, if it is considered to be most advantageous to Durham Public Schools to do so.

The status of a Vendor's E-Procurement Services account(s) shall be considered a relevant factor in determining whether to approve the award of a contract under this RFP. Any Vendor with an

E-Procurement Services account that is in arrears by 91 days or more at the time of proposal opening may, at the State's discretion be disqualified from further evaluation or consideration.

Durham Public Schools reserves the right to waive any minor informality or technicality in proposals received.

3.1 CONFIDENTIALITY AND PROHIBITED COMMUNICATIONS DURING EVALUATION

During the evaluation period—from the date proposals are opened through the date the contract is awarded—each Vendor submitting a proposal (including its representatives, sub-contractors and/or suppliers) is prohibited from having any communications with any person inside or outside the using agency, issuing agency, other government agency office, or body (including the purchaser named above, department secretary, agency head, members of the general assembly and/or governor's office), or private entity, if the communication refers to the content of Vendor's proposal or qualifications, the contents of another Vendor's proposal, another Vendor's qualifications or ability to perform the contract, and/or the transmittal of any other communication of information that could be reasonably considered to have the effect of directly or indirectly influencing the evaluation of proposals and/or the award of the contract. A Vendor not in compliance with this provision shall be disqualified from contract award, unless it is determined in the State's discretion that the communication was harmless, that it was made without intent to influence and that the best interest of the State would not be served by the disqualification. A Vendor's proposal may be disqualified if its subcontractor and supplier engage in any of the foregoing communications during the time that the procurement is active (i.e., the issuance date of the procurement to the date of contract award). Only those discussions, communications or transmittals of information authorized or initiated by the issuing agency for this RFP or general inquiries directed to the purchaser regarding requirements of the RFP (prior to proposal submission) or the status of the contract award (after submission) are excepted from this provision.

3.2 PROPOSAL EVALUATION PROCESS

Durham Public Schools shall review all Vendor responses to this RFP to confirm that they meet the specifications and requirements of the RFP.

Durham Public Schools will conduct a One-Step evaluation of Proposals:

Proposals will be received from each responsive Vendor in a sealed envelope or package.

All proposals must be received by the issuing agency not later than the date and time specified on the cover sheet of this RFP.

At that date and time, the package containing the proposals from each responding firm will be opened publicly and the name of the Vendor and total cost offered will be announced. Interested parties are cautioned that these costs and their components are subject to further evaluation for completeness and correctness and therefore may not be an exact indicator of a Vendor's pricing position.

At their option, the evaluators may request oral presentations or discussion with any or all Vendors for the purpose of clarification or to amplify the materials presented in any part of the proposal. Vendors are cautioned, however, that the evaluators are not required to request presentations or other clarification—and often do not. Therefore, all proposals should be complete and reflect the most favorable terms available from the Vendor.

Durham Public Schools reserves the right to reject all original offers and request one or more of the Vendors submitting proposals within a competitive range to submit a best and final offer (BAFO), based on discussions and negotiations with Durham Public Schools, if the initial responses to the RFP have been evaluated and determined to be unsatisfactory.

Upon completion of the evaluation process, Durham Public Schools will make Award(s) based on the evaluation and post the award(s) to IPS under the RFP number for this solicitation. Award of a Contract to one Vendor does not mean the other proposals lacked merit, but that, all factors considered, the selected proposal was deemed most advantageous and represented the best value to Durham Public Schools.

3.3 INTERPRETATION OF TERMS AND PHRASES

This Request for Proposal serves two functions: (1) to advise potential Vendors of the parameters of the solution being sought by the Department; and (2) to provide (together with other specified documents) the terms of the Contract resulting from this procurement. As such, all terms in the Request for Proposal shall be enforceable as contract terms in accordance with the General Contract Terms and Conditions. The use of phrases such as “shall,” “must,” and “requirements” are intended to create enforceable contract conditions. In determining whether proposals should be evaluated or rejected, the Department will take into consideration the degree to which Vendors have proposed or failed to propose solutions that will satisfy the Department’s needs as described in the Request for Proposal. Except as specifically stated in the Request for Proposal, no one requirement shall automatically disqualify a Vendor from consideration. However, failure to comply with any single requirement may result in the Department exercising its discretion to reject a proposal in its entirety.

4.0 REQUIREMENTS

This Section lists the requirements related to this RFP. By submitting a proposal, the Vendor agrees to meet all stated requirements in this Section as well as any other specifications, requirements and terms and conditions stated in this RFP. If a Vendor is unclear about a requirement or specification or believes a change to a requirement would allow for Durham Public Schools to receive a better proposal, the Vendor is urged and cautioned to submit these items in the form of a question during the question and answer period in accordance with Section 1.1.

4.1 CONTRACT TERM

The Contract shall have an initial term of **one year**, beginning on the date of contract award (the “Effective Date”). The Vendor shall begin work under the Contract within **thirty (30)** business days of the Effective Date.

At the end of the Contract’s current term, Durham Public Schools shall have the option, in its sole discretion, to renew the Contract on the same terms and conditions for up to a total of four additional one-year terms. Durham Public Schools will give the Vendor written notice of its intent whether to exercise each option no later than thirty (30) days before the end of the Contract’s then-current term. In addition, Durham Public Schools reserves the right to extend a contract term for a period of up to 180 days in 90-day-or-less increments.

4.2 PRICING

similar fees. Vendor shall not invoice for any amounts not specifically allowed for in this RFP. Complete ATTACHMENT III: PRICING FORM and include in Proposal.

4.3 INVOICES

- a) Invoices must be submitted to the Accounts Payable Office on the Vendor(s) official letterhead/stationery.

4.4 PAYMENT TERMS

- b) The Vendor will be paid net thirty (30) calendar days after the Vendor's invoice is approved by Durham Public Schools.

4.5 FINANCIAL STABILITY

Each Vendor shall certify it is financially stable by completing the ATTACHMENT IV: CERTIFICATION OF FINANCIAL CONDITION. The State is requiring this certification to minimize potential issues from Contracting with a Vendor that is financially unstable. From the date of the Certification to the expiration of the Contract, the Vendor shall notify Durham Public Schools within thirty (30) days of any occurrence or condition that materially alters the truth of any statement made in this Certification.

4.6 VENDOR EXPERIENCE

When applicable in its Proposal, Vendor shall demonstrate experience with public and/or private sector clients with similar or greater size and complexity to the State of North Carolina. Vendor shall provide information as to the qualifications and experience of all executive, managerial, legal, and professional personnel to be assigned to this project, including resumes citing experience with similar projects and the responsibilities to be assigned to each person.

4.7 REFERENCES

Durham Public Schools may contact these users to determine the services provided are substantially similar in scope to those proposed herein and Vendor's performance has been satisfactory. The information obtained may be considered in the evaluation of the proposal.

4.8 BACKGROUND CHECKS

Vendor and its personnel are required to provide or undergo background checks at Vendor's expense prior to beginning work with the State. As part of Vendor background the details below must be provided to Durham Public Schools:

- a) Any **criminal felony conviction**, or conviction of any crime involving moral turpitude, including, but not limited to fraud, misappropriation or deception, of Vendor, its officers or directors, or any of its employees or other personnel to provide services on this project, of which Vendor has knowledge or a statement that it is aware of none;
- b) Any **criminal investigation** for any offense involving moral turpitude, including, but not limited to fraud, misappropriation, falsification or deception pending against Vendor of which it has knowledge or a statement it is aware of none;
- c) Any **regulatory sanctions** levied against Vendor or any of its officers, directors or its professional employees expected to provide services on this project by any state or federal regulatory agencies within the past three years or a statement that there are none. As used herein, the term "regulatory sanctions" includes the revocation or suspension of any license or certification, the levying of any monetary penalties or fines, and the issuance of any written warnings;
- d) Any **regulatory investigations** pending against Vendor or any of its officers, directors or its professional employees expected to provide services on this project by any state or federal regulatory agencies of which Vendor has knowledge or a statement that there are none.
- e) Any **civil litigation**, arbitration, proceeding, or judgments pending against Vendor during the three (3) years preceding submission of its proposal herein or a statement that there are none.

Vendor's responses to these requests shall be considered to be continuing representations and Vendor's failure to notify Durham Public Schools within thirty (30) days of any criminal litigation, investigation or proceeding involving Vendor or its then current officers, directors or persons providing services under this contract during its term shall constitute a material breach of contract. The provisions of this paragraph shall also apply to any subcontractor utilized by Vendor to perform services under this contract.

Any personnel or agent of the Vendor performing services under any contract arising from this RFP may be required to undergo a background check at the expense of the Vendor, if so requested by Durham Public Schools.

4.9 PERSONNEL

Vendor shall not substitute key personnel assigned to the performance of this Contract without prior written approval by the Contract Lead. Vendor shall notify the Contract Lead of any desired substitution, including the name(s) and references of Vendor's recommended substitute personnel. Durham Public Schools will approve or disapprove the requested substitution in a timely manner. Durham Public Schools may, in its sole discretion, terminate the services of any person providing services under this Contract. Upon such termination, Durham Public Schools may request acceptable substitute personnel or terminate the contract services provided by such personnel.

4.10 VENDOR'S REPRESENTATIONS

- a) Vendor warrants that qualified personnel shall provide services under this Contract in a professional manner. "Professional manner" means that the personnel performing the services will possess the skill and competence consistent with the prevailing business standards in the industry. Vendor agrees that it will not enter any agreement with a third party that may abridge any rights of Durham Public Schools under this Contract. Vendor will serve as the prime contractor under this Contract and shall be responsible for the performance and payment of all

subcontractor(s) that may be approved by Durham Public Schools. Names of any third party Vendors or subcontractors of Vendor may appear for purposes of convenience in Contract documents; and shall not limit Vendor's obligations hereunder. Vendor will retain executive representation for functional and technical expertise as needed in order to incorporate any work by third party subcontractor(s).

- b) If any services, deliverables, functions, or responsibilities not specifically described in this Contract are required for Vendor's proper performance, provision and delivery of the service and deliverables under this Contract, or are an inherent part of or necessary sub-task included within such service, they will be deemed to be implied by and included within the scope of the contract to the same extent and in the same manner as if specifically described in the contract. Unless otherwise expressly provided herein, Vendor will furnish all of its own necessary management, supervision, labor, facilities, furniture, computer and telecommunications equipment, software, supplies and materials necessary for the Vendor to provide and deliver the Services and Deliverables.
- c) Vendor warrants that it has the financial capacity to perform and to continue to perform its obligations under the contract; that Vendor has no constructive or actual knowledge of an actual or potential legal proceeding being brought against Vendor that could materially adversely affect performance of this Contract; and that entering into this Contract is not prohibited by any contract, or order by any court of competent jurisdiction.

5.0 SCOPE OF WORK/ACCEPTANCE OF WORK

In the event acceptance criteria for any work or deliverables is not described in contract documents or work orders hereunder, Durham Public Schools shall have the obligation to notify Vendor, in writing ten (10) calendar days following completion of such work or deliverable described in the Contract that it is not acceptable. The notice shall specify in reasonable detail the reason(s) it is unacceptable. Final acceptance is expressly conditioned upon completion of all applicable assessment procedures. Should the work or deliverables fail to meet any requirements, acceptance criteria or otherwise fail to conform to the contract, Durham Public Schools may exercise any and all rights hereunder, including, for deliverables, such rights provided by the Uniform Commercial Code as adopted in North Carolina.

5.1 LIQUIDATED DAMAGES

The parties agree that calculation of actual damages resulting from failure to meet the following performance standards is extremely difficult, if not impossible, to calculate accurately, and the parties also agree that the compensation identified for such failures are a reasonable estimate of damages resulting from a failure to meet the performance standard described. Therefore, the parties agree that the Vendor shall be subject to amounts due as liquidated damages but not as a penalty, for each such failure, as follows:

Notwithstanding any other provision herein, liquidated damages shall not be subject to a limitation on damages or limit of liability for damages that otherwise may be applicable to recoverable damages.

5.2 DISPUTE RESOLUTION

If a dispute cannot be resolved between the Parties within

thirty (30) days after delivery of notice, either Party may elect to exercise any other remedies available under this Contract, or at law. This term shall not constitute an agreement by either party to mediate or arbitrate any dispute.

ATTACHMENT I: INSTRUCTIONS TO VENDORS:

1. **READ, REVIEW AND COMPLY:** It shall be the Vendor's responsibility to read this entire document, review all enclosures and attachments, and any addenda thereto, and comply with all requirements specified herein, regardless of whether appearing in these Instructions to Vendors or elsewhere in this RFP document.
2. **LATE PROPOSALS:** Late proposals, regardless of cause, will not be opened or considered, and will automatically be disqualified from further consideration. It shall be the Vendor's sole responsibility to ensure delivery at the designated office by the designated time.
3. **ACCEPTANCE AND REJECTION:** Durham Public Schools reserves the right to reject any and all proposals, to waive any informality in proposals and, unless otherwise specified by the Vendor, to accept any item in the proposal. If either a unit price or an extended price is obviously in error and the other is obviously correct, the incorrect price will be disregarded.
4. **BASIS FOR REJECTION:** Pursuant to 01 NCAC 05B .0501, Durham Public Schools reserves the right to reject any and all offers, in whole or in part, by deeming the offer unsatisfactory as to quality or quantity, delivery, price or service offered, non-compliance with the requirements or intent of this solicitation, lack of competitiveness, error(s) in specifications or indications that revision would be advantageous to Durham Public Schools, cancellation or other changes in the intended project or any other determination that the proposed requirement is no longer needed, limitation or lack of available funds, circumstances that prevent determination of the best offer, or any other determination that rejection would be in the best interest of Durham Public Schools.
5. **EXECUTION:** Failure to sign EXECUTION PAGE in the indicated space will render proposal non-responsive, and it shall be rejected.
6. **ORDER OF PRECEDENCE:** In cases of conflict between specific provisions in this solicitation or those in any resulting contract, the order of precedence shall be (high to low) (1) any special terms and conditions specific to this RFP, including any negotiated terms; (2) requirements and specifications in Sections 4 and 5 of this RFP; (3) North Carolina General Contract Terms and Conditions in ATTACHMENT II: NORTH CAROLINA GENERAL CONTRACT TERMS AND CONDITIONS; (4) Instructions in ATTACHMENT I: INSTRUCTIONS TO VENDORS; and (5) Vendor's Proposal.
7. **INFORMATION AND DESCRIPTIVE LITERATURE:** Vendor shall furnish all information requested and in the spaces provided in this document. Further, if required elsewhere in this proposal, each Vendor must submit with their proposal sketches, descriptive literature and/or complete specifications covering the products offered. Reference to literature submitted with a previous proposal or available elsewhere will not satisfy this provision. Proposals that do not comply with these requirements shall be subject to rejection without further consideration.
8. **SUSTAINABILITY:** To support the sustainability efforts of Durham Public Schools of North Carolina we solicit your cooperation in this effort. Pursuant to Executive Order 156 (1999), it is desirable that all responses meet the following:
 - All copies of the proposal are printed double sided.
 - All submittals and copies are printed on recycled paper with a minimum post-consumer content of 30%.

- Unless absolutely necessary, all proposals and copies should minimize or eliminate use of non-recyclable or non-reusable materials such as plastic report covers, plastic dividers, vinyl sleeves, and GBC binding. Three-ringed binders, glued materials, paper clips, and staples are acceptable.
- Materials should be submitted in a format which allows for easy removal, filing and/or recycling of paper and binder materials. Use of oversized paper is strongly discouraged unless necessary for clarity or legibility.

9. **HISTORICALLY UNDERUTILIZED BUSINESSES:** Pursuant to General Statute 143-48 and Executive Order #150 (1999), Durham Public Schools invites and encourages participation in this procurement process by businesses owned by minorities, women, disabled, disabled business enterprises and non-profit work centers for the blind and severely disabled.

10. **RECIPROCAL PREFERENCE:** G.S. 143-59 establishes a reciprocal preference requirement to discourage other states from favoring their own resident Vendors by applying a percentage increase to the price of any proposal from a North Carolina resident Vendor. The “Principal Place of Business” is defined as that principal place from which the trade or business of the Vendor is directed or managed.

11. **CONFIDENTIAL INFORMATION:** To the extent permitted by applicable statutes and rules, the State will maintain confidential trade secrets that the Vendor does not wish disclosed. As a condition to confidential treatment, each page containing trade secret information shall be identified in boldface at the top and bottom as “CONFIDENTIAL” by the Vendor, with specific trade secret information enclosed in boxes or similar indication. Cost information shall not be deemed confidential under any circumstances. Regardless of what a Vendor may label as a trade secret, the determination whether it is or is not entitled to protection will be determined in accordance with G.S. 132-1.2. Any material labeled as confidential constitutes a representation by the Vendor that it has made a reasonable effort in good faith to determine that such material is, in fact, a trade secret under G.S. 132-1.2. Vendors are urged and cautioned to limit the marking of information as a trade secret or as confidential so far as is possible.

12. **PROTEST PROCEDURES:** When a Vendor wishes to protest a Contract resulting from this solicitation that is awarded by the Division of Purchase and Contract, or awarded by an agency in an awarded amount of at least \$25,000, a Vendor shall submit a written request addressed to the Durham Public Schools, Office of Public Affairs, P. O. Box 30002, Durham, NC 27702. A protest request related to an award amount of less than \$25,000 shall be sent to the purchasing officer of the agency that issued the award. The protest request must be received in the proper office within thirty (30) consecutive calendar days from the date of the Contract award. Protest letters **shall** contain specific grounds and reasons for the protest, how the protesting party was harmed by the award made and any documentation providing support for the protesting party's claims. **Note:** Contract award notices are sent only to the Vendor actually awarded the Contract, and not to every person or firm responding to a solicitation. Proposal status and Award notices are posted on the Internet at <https://www.ips.state.nc.us/ips/>. All protests will be handled pursuant to the North Carolina Administrative Code, 01 NCAC 05B .1519.

13. **MISCELLANEOUS:** Masculine pronouns shall be read to include feminine pronouns and the singular of any word or phrase shall be read to include the plural and vice versa.

- 14. COMMUNICATIONS BY VENDORS:** In submitting its proposal, the Vendor agrees not to discuss or otherwise reveal the contents of its proposal to any source, government or private, outside of the using or issuing agency until after the award of the Contract or cancellation of this RFP. All Vendors are forbidden from having any communications with the using or issuing agency, or any other representative of Durham Public Schools concerning the solicitation, during the evaluation of the proposals (i.e., after the public opening of the proposals and before the award of the Contract), unless Durham Public Schools directly contacts the Vendor(s) for purposes of seeking clarification or another reason permitted by the solicitation. A Vendor shall not: (a) transmit to the issuing and/or using agency any information commenting on the ability or qualifications of any other Vendor to provide the advertised good, equipment, commodity; (b) identify defects, errors and/or omissions in any other Vendor's proposal and/or prices at any time during the procurement process; and/or (c) engage in or attempt any other communication or conduct that could influence the evaluation and/or award of the Contract that is the subject of this RFP. Vendors not in compliance with this provision may be disqualified, at the option of Durham Public Schools, from the Contract award. Only those communications with the using agency or issuing agency authorized by this RFP are permitted.
- 15. TABLATIONS:** Proposal tabulations can be electronically retrieved at the Interactive Purchasing System (IPS), <https://www.ips.state.nc.us/ips/BidNumberSearch.aspx>. Click on the IPS BIDS icon, click on Search for Bid, enter the proposal number, and then search. Tabulations will normally be available at this website not later than one working day after the proposal opening. Lengthy or complex tabulations may be summarized, with other details not made available on IPS, and requests for additional details or information concerning such tabulations cannot be honored.
- 16. VENDOR REGISTRATION AND SOLICITATION NOTIFICATION SYSTEM:** Vendor Link NC allows Vendors to electronically register free with the State to receive electronic notification of current procurement opportunities for goods and services of potential interests to them available on the Interactive Purchasing System, as well as notifications of status changes to those solicitations. Online registration and other purchasing information are available at the following website <http://ncadmin.nc.gov/about-doa/divisions/purchase-contract>.
- 17. WITHDRAWAL OF PROPOSAL:** a Proposal may be withdrawn only in writing and actually received by the office issuing the RFP prior to the time for the opening of Proposals identified on the cover page of this RFP (or such later date included in an Addendum to the RFP). A withdrawal request must be on Vendor's letterhead and signed by an official of the Vendor authorized to make such request. Any withdrawal request made after the opening of Proposals shall be allowed only for good cause shown and in the sole discretion of the Division of Purchase and Contract.
- 18. INFORMAL COMMENTS:** Durham Public Schools shall not be bound by informal explanations, instructions or information given at any time by anyone on behalf of Durham Public Schools during the competitive process or after award. Durham Public Schools is bound only by information provided in this RFP and in formal Addenda issued through IPS.
- 19. COST FOR PROPOSAL PREPARATION:** Any costs incurred by Vendor in preparing or submitting offers are the Vendor's sole responsibility; Durham Public Schools of North Carolina will not reimburse any Vendor for any costs incurred prior to award.

20. **VENDOR'S REPRESENTATIVE:** Each Vendor shall submit with its proposal the name, address, and telephone number of the person(s) with authority to bind the firm and answer questions or provide clarification concerning the firm's proposal.
21. **SUBCONTRACTING:** Unless expressly prohibited, a Vendor may propose to subcontract portions of the work to identified subcontractor(s), provided that its proposal clearly describes what work it plans to subcontract and that Vendor includes in its proposal all information regarding employees, business experience, and other information for each proposed subcontractor that is required to be provided for Vendor itself.
22. **INSPECTION AT VENDOR'S SITE:** Durham Public Schools reserves the right to inspect, at a reasonable time, the equipment/item, plant or other facilities of a prospective Vendor prior to Contract award, and during the Contract term as necessary for Durham Public Schools determination that such equipment/item, plant or other facilities conform with the specifications/requirements and are adequate and suitable for the proper and effective performance of the Contract.

In that event, all finished or unfinished deliverable items prepared by the Vendor under this contract shall, at the option of Durham Public Schools, become its property. If the contract is terminated by Durham Public Schools as provided in this section, Durham Public Schools shall pay for services satisfactorily completed by the Vendor, less any payment or compensation previously made.
19. **CONFIDENTIALITY:** Any State information, data, instruments, documents, studies or reports given to or prepared or assembled by or provided to the Vendor under this contract shall be kept as confidential, used only for the purpose(s) required to perform this contract and not divulged or made available to any individual or organization without the prior written approval of Durham Public Schools.

22. **OUTSOURCING:** Any Vendor or subcontractor providing call or contact center services to Durham Public Schools of North Carolina shall disclose to inbound callers the location from which the call or contact center services are being provided.

Vendor shall give notice to the using agency of any relocation of the Vendor, employees of the Vendor, subcontractors of the Vendor, or other persons performing services under a State contract to a location outside of the United States.

10.0 ESTIMATED QUANTITIES AND DISTRICT INFORMATION AFFECTING PURCHASES

10.1 Quantities reflected in this RFP are estimates based on the combined projected needs of the School District during the Contract period. These quantities are the best estimate of

anticipated needs available at the time of publication of this RFP, but the accuracy of this estimate may be affected by numerous factors including but not limited to, budgetary adjustments, product pricing, availability of Federal funds or other subsidies, changing market forces, or unintentional errors or omissions. Actual needs may be greater or less than the estimated quantities provided.

10.2 The Combined Product Usage Estimate is a guide to potential product usage of the school district, but under no circumstances guarantees product usage.

11.0 TIE PROPOSALS, PROPOSAL ERRORS, PROPOSAL REJECTION AND USE OF PIGGYBACK CLAUSE

11.1 **TIE PROPOSAL:** In the event of a tie on a proposal, the deadlock will be decided by using the following order:

Any item excluded from the tabulation will be excluded for ALL proposals for evaluation purposes only. Multiple errors may be rationale for the School District's disqualification of a Distributor proposal.

11.4 **PIGGYBACK CLAUSE:** The Piggyback Clause is a Legal Provision that may be employed by a local school district in the circumstance of no proposals received or all proposals received are disqualified. If employed, documented Distributor Agreement, Legal Advertisement of Waiver for Competitive Bidding and Local Board Approval by both Districts is required. Pursuant to **G. S. 143-139 (g)**, when a Local Board of Education (BOE) determines it is in the best interest of the member district over which it has authority, the requirement for competitive bidding may be waived for the purchase of food and supplies contained herein, including all subsequent Amendments, to allow the member district to purchase from the bid/contract with any other member district. The member district's BOE, having approved the waiver for competitive bidding, may enter into a new and separate contract with a Distributor who has contracted with another district provided the district's BOE is in agreement and the Distributor is willing to extend the same or more favorable prices, terms and conditions to the district for which competitive bidding has been waived.

12.0 PRELIMINARY AWARD, OPTION TO DECLINE, PROTEST PROCEDURE AND FINAL AWARD

12.1 **Awards are considered "PRELIMINARY" until the following is completed:**

12.1.1 The School District reviews the scoring sheet for each distributor, and ensures compliance with all instructions to ascertain that the offer is made in accordance with the terms and conditions of the RFP. 13.0 SUBSTITUTION AND DISCONTINUED PRODUCT REQUIREMENTS

13.1 The Distributor awarded the Contract shall order goods from manufacturers in economical quantities and maintain inventories at a sufficient level to prevent out of stock situations while avoiding excessive inventories which may be counter-productive to efficiency. Product substitutions due to out of stock situations should be held to an absolute minimum. Distributor "out of stock" percentage is expected at 3% of invoice orders or less. Excessive substitution due to Distributor order errors may jeopardize future business from the School District or invoke Termination Proceedings.

13.2 Any Distributor substitution that is not pre-approved, in advance, in writing by the School Nutrition Director or her/his designee, will be rejected by the School District. The School District will not be responsible to purchase the quantity of School District estimated usage affected by Distributor substitution.

13.3 To facilitate delivery schedules and provide appropriate substitutions in out - of stock situations for accommodation of students with food allergies, the awarded distributor **MUST** e-mail or fax the school district, for pre-approval by the District, current specification sheets with ingredient lists, nutritional analysis and allergens for each proposed substitution a minimum of **24 HOURS IN ADVANCE** of the delivery (upon request). The Distributor and/or manufacturer are responsible for any damages to customers due to unidentified allergens from products substituted for brands pre-approved by this Contract.

13.4 Any substitution for an item brought in by the Distributor to alleviate a **manufacturer out of stock**, or discontinued production, must be (1) of the same or higher quality as the regular stock, (2) the same or similar cost as the regular stock and (3) priced at the same flat fixed-rate fee per case as the original product. Substituted products are approved by the School District.

14.0 VALUE ADDED OPTIONS AND SERVICES

14.1 Value Added Options and Services including, but not limited to product merchandisers and other purchasing incentives will not be considered as a factor in evaluating the award of this proposal.

15.0 TRANSMITTAL OF DELIVERY ORDERS

15.1 Orders will be submitted to the Distributor awarded the Contract by the School District on a schedule and by a method that is mutually agreeable to both parties. The School District prefers

the shortest lead time possible in order to minimize inventory levels at schools. Order requirements not covered in this section should be listed in Special Conditions.

15.2 Orders may be transmitted electronically or by fax as mutually agreed upon by the Distributor awarded the Contract and the School District. If Internet-based, electronic ordering systems are used, the Distributor will provide training on use of their ordering system to necessary School District personnel. The Distributor must block non-bid items from electronic ordering systems available to the School District.

15.3 The Distributor awarded the Contract shall provide a representative to screen orders, discuss orders with the School Nutrition Director, or designee, **on a weekly basis**; the representative shall ensure compliance with scheduled delivery, discuss substitutions and shortages, facilitate approval of substitutions, finalize orders for delivery, and screen delivered orders for shortages, errors, and pricing mistakes.

16.0 BILLING AND PAYMENT REQUIREMENTS

16.1 Payment will be due to the Distributor awarded the Contract within thirty (30) days of date of the monthly statement, or more frequently, as designated by the School District.

16.2 The Distributor awarded the Contract shall provide the School District separate invoices for each school site.

16.3 The Distributor awarded the Contract shall issue credit memorandums for returned/picked up items within ten (10) business days from the request to do so.

16.4 Failure to issue credit memorandums in a timely basis shall constitute grounds for withholding payments.

17.0 SITE DELIVERIES

17.1 Deliveries shall be made to schools on a regular schedule between hours that are mutually agreed upon by the School Nutrition Director or designee and Distributor in a meeting after award of the Contract. Any deviation of the Distributor from the schedule will require notification of the School Nutrition Director, or designee.

17.2 Only one (1) Distributor delivery per school site per week is anticipated, but the School District reserves the right to require more/less than one delivery per week, as needed and volume requires. Known need for deliveries of more/less than one per school site per week shall be indicated within **Special Conditions**.

17.3 To the degree possible, delivery routes should feature dedicated trucks that deliver in sequence to district schools on a predictable time-table. Conflicts with arrival and departure of students may require Distributor changing delivery routes for safety concerns.

17.4 The Distributor shall be notified by the School District in advance of holidays, student vacation and teacher work days so that arrangements can be made for deliveries as approved by the School Nutrition Director or designee. The School District shall provide the Distributor the school calendar. The School District will make efforts to provide advance notification to the Distributor in the event of weather related closings.

17.5 Each Distributor delivery must be made in a single vehicle which will adequately protect frozen, dry, or chilled products in accordance with manufacturers/packers recommendations. Types of delivery vehicles used may be impacted by school sites and should be acquainted with facilities. All frozen food must be delivered in a completely hard frozen state. Items showing thaw

or deterioration in any form at the time of delivery will not be accepted. Any item delivered in other than proper condition will not be accepted.

17.8 Distributor drivers and helpers shall request the authorized school cafeteria manager, or the approved designee, to verify the accuracy of quantities of each item, and condition of merchandise from a delivery ticket. A designated school receiver shall sign each delivery ticket. Variations from the norm i.e., shortages, damages, etc., shall be noted on each ticket by the designated school receiver and initialed by both the truck driver and school receiver. The Distributor shall not be required to issue credits for errors not detected at time of delivery, except for hidden damage or failure to meet specification.

17.9 Cartons must be marked with appropriate product identifying information as indicated on the Purchase Order and packaged in containers that are new, appropriately designed for the products, and sturdy enough to protect the products in the loading, transit, unloading, and storage process.

18.0 THE BUY AMERICAN PROVISION

18.1 The Distributor shall comply with the “Buy American” provision for Contracts that involve the purchase of agricultural products. Federal regulations require that all foods (Ingredients) purchased for School Nutrition Programs be of domestic origin to the maximum extent practicable. While rare, two (2) exceptions may exist:

18.1.1 Exceptions to the Buy American provision are possible when the product is not produced or manufactured in the U.S., in sufficient, reasonable and available quantities of a satisfactory quality; and competitive proposals reveal the cost of a domestic product is significantly higher than a non-domestic product or;

18.1.2 **Product(s) may qualify under the Richard B. Russell National School Lunch Act’s Buy American provision for purchasing food products used in School Nutrition Programs by providing**

18.2 To meet food safety and recall regulations, the Distributor must notify the School Nutrition Director and the School Nutrition Director must provide written approval IN ADVANCE whenever there is a change of product sources, including when any Non-Domestic agricultural products are substituted for domestic agricultural products. The Distributor must submit written documentation to substantiate (availability or price) any non-domestic item included in this proposal with the exception of the following products: Pineapples, Mandarin Oranges, Olives, Tuna, Bananas and Coffee.

18.3 Any non-domestic product delivered to the School District, without the prior, written approval of the School Nutrition Director, shall be rejected. Should non-domestic substitutes that were not pre-approved, in writing, by the School Nutrition Director be delivered to the School

District and rejected, the Distributor shall be held accountable for all over-claims that result from failure to meet the School District's required meal pattern.

18.4 Agricultural products which are grown, canned or packed outside of the United States may be accepted by the school district (in writing) with proof from the manufacturer that poor Market conditions exist (weather, and/or supply availability of market); this requirement applies to both pre-approved and "private labels".

19.0 OPTION FOR CONTRACT RENEWAL AND PROCEDURES

19.1 Unless this Contract is renewed beyond the expiration of the Contract as stated on the Certification and Agreement, this Contract shall terminate July 31 of each contract year. The School District reserves the right to seek agreement of the Distributor to renew the Flat Fixed Fees of the original proposal award for a period not to exceed four (4) additional terms of one (1) year each at the same or lower rate.

19.2 The only accepted increase in the delivery of a Fixed - Fee will be based on fuel cost only as described in Section 20.0 of the RFP/Contract.

19.3 RENEWAL PROCEDURES

19.3.1 Distributors in Renewal status, are NOT required to attend the Annual Bid openings for the District.

19.3.2 The verbal Contract Renewal process may be initiated by either the school district or the Distributor in February of each year.

19.3.3 Renewal Documents as required by the School District: The Renewal Agreement, Updated RFP/Contract, and Attachments A- J, are to be completed, signed and returned to the School District by the Distributor no later than the Official Distributor proposal release date.

19.3.4 When the renewal is approved, the School District will return a signed copy of the **Renewal Agreement and Special Conditions Agreement**, to the Distributor.

19.3.5 The School District completed Purchase Order to the Distributor is the final approval of the Renewal Agreement.

20.0 FIXED – FEE ADJUSTMENT FOR FUEL PRICE INCREASE

20.1.1 The fixed - fee for fuel price increase may be adjusted mid-contract and at renewal. No other criteria may be considered in adjusting the fixed - fee. The Distributor may propose an increase in the flat fixed – fee if the following conditions exist: On the first Monday in November, if the price of fuel exceeds thirty (30) percent of the base fuel price, as established on the date of the initial proposal opening according to the Weekly on Highway Diesel Prices for the Lower Atlantic Region issued by the Energy Information Agency at:
<http://tonto.eia.doe.gov/oog/info/wohdp/diesel.asp>

20.1.2 If conditions exceed 30% of the base fuel price, Distributor may submit a written request for a mid-contract adjustment to the fixed - fee; the request must be submitted to the School District within forty – five (45) days of February 1. The request must include justification and market documentation for the increase based on fuel cost.

- 20.1.3 To propose an increase in the fixed - fee, the Distributor shall: (1) Determine if the base fuel cost (as reflected at the proposal opening) has increased by thirty (30) percent, and if so, (2) Document the increase in the price per gallon over the initial base fuel cost.
- 20.1.4 The increase in the fixed - fee shall be based on \$.01 per each \$.20 increase in the cost of fuel per gallon. For example, if the base fee established at proposal opening is \$2.30 and fuel prices increased by forty – five (45) percent to \$3.33 per gallon on November 1, the \$.01 may be applied per unit as indicated in the Distributor’s original proposal.
- 20.1.5 The increase in the flat fixed – fee, based on fuel prices, may not exceed \$.03 per unit in a contract period. The increase in the fixed - fee adjustment at mid-Contract will take effect on Feb. 1 of the contract year.
- 20.1.6 The same conditions for adjusting the fixed - fee shall apply to the Renewal of the Contract. If, on the first Monday in May, the cost of fuel exceeds thirty (30) percent of the base price that was established November 1, the Distributor may propose an increase in the fixed - fee, using the same procedure described in Item 2 of this Section. The adjustment to the fixed - fee shall not exceed \$.03 per unit. If, however, the price of fuel has dropped by thirty (30) percent from the base that was established on November 1, the Distributor shall reduce the fixed - fee accordingly.

21.0 PRODUCT USAGE REPORTS

- 21.1.1 The Distributor awarded the Contract shall provide UPON REQUEST product electronic utilization reports to the School Nutrition Director, or designee, within 4 days of the request. These reports shall be submitted for total quantity delivered per line item (including substitutes for a proposal line item) in the terms of proposal units per school delivery point and/or combined district total.
- 21.1.2 Payments for the month prior to the due dates for the utilization reports may be withheld at the discretion of School District officials until utilization reports are received.

Memorandum # 2016-10

TO: All Local Governments, Public Authorities and Their Independent Auditors FROM: Sharon Edmundson, Director, Fiscal Management Section
SUBJECT: Iran Divestment Act Notice for Local Governments in North Carolina
DATE: February 17, 2016

The North Carolina Department of State Treasurer is providing this letter to Local Government Units to explain new contracting and procurement compliance obligations created by the [Iran Divestment Act of 2015](#) (N.C.G.S. 143C-6A-1 to 6A-9).^{*} Local Government Units should be aware that effective February 26, 2016, this law imposes new obligations on each new bid process, each new contract, and each renewal or assignment of an existing contract. The specific requirements are as follows:

1. **Local Government Units must obtain a one-page mandatory certification under the Act.** (See sample "Contract Certification" form below for details.)
2. **Local Government Units may not enter into contracts with any entity or individual found on the State Treasurer's Iran Final Divestment List.** This list will be posted on the Department of State Treasurer's website on February 26, 2016 and will be updated every 180 days. (See "Contract Restrictions" below for details.)

Background

The Iran Divestment Act's requirements applicable to Local Government Units^{**} will become effective on February 26, 2016, at the time the State Treasurer publishes the first list of prohibited companies and individuals (a "[Final Divestment List](#)") under the Act.

^{*} The Iran Divestment Act of 2015 can be found online at: <http://www.ncleg.net/Sessions/2015/Bills/Senate/PDF/S455v5.pdf>

^{**} The Act's requirements use the term "State agency." G.S. 143C-6A-3(7) provides that in the act, the term "State agency" includes not only State departments, boards, and commissions, but also "any political subdivision of the State" such as a Local Government Unit.

Final Divestment List

The Department of State Treasurer develops the Final Divestment List using data from a research vendor, U.S. federal sanctions lists, and other credible information available to the public. It consists of any individual or company, including parent entities and majority owned subsidiaries, that::

- Provided goods or services of \$20,000,000 or more within any 12-month period in the energy sector of Iran during the preceding five years.
- Extended \$20,000,000 or more in credit, under certain circumstances, to another individual or company that will use the credit to provide goods or services in the energy sector in Iran. (G.S. 143C-6A-3(4).)

The Department of State Treasurer will update the Final Divestment List at least every 180 days. The list will be published on the State Treasurer's website at www.nctreasurer.com/iran and periodically circulated to Local Government Units.

Requirement 1: Contract Certification

For new procurements and new, renewed, or assigned contracts on or after February 26, 2016, each Local Government Unit must obtain a simple certification from each bidder or vendor. The bidder or vendor must affirm that it is not listed on the State Treasurer’s Final Divestment List found at www.nctreasurer.com/Iran as of the date of signature. The certification is due at the time a bid is submitted or the time a contract is entered into, renewed, or assigned. (G.S. 143C-6A- 5(a).)

We have attached on the next page a short form that can be used for this certification, but Local Government Units are free to instead use their own form or put the required certification in the text of a contract or purchase order. Each Local Government Unit shall maintain its own records demonstrating these certifications.

Requirement 2: Restriction on Contracting

Individuals or companies on the Final Divestment List are ineligible to contract or subcontract with Local Government Units. (G.S. 143C-6A-6(a).) Any existing contracts with these Iran-linked persons will be allowed to expire in accordance with the contract’s terms. (G.S. 143C-6A-6(c).)

Contracts valued at less than \$1,000.00 are exempt from this restriction. (G.S. 143C-6A-7(a).) In addition, a Local Government Unit may contract with a listed individual or company if it makes a good-faith determination that (1) the commodities or services are necessary to perform its functions and (2) that, absent such an exemption, it would be unable to obtain those commodities or services. (G.S. 143C-6A-7(c).) Local Government Units shall enter such exemptions into the procurement record.

The Act provides that vendors to Local Government Units may not utilize any subcontractor found on the State Treasurer’s Final Divestment List. (N.C.G.S. 143C-6A-5(b).) It is each vendor’s responsibility to monitor its compliance with this restriction.

Next Steps

The Department of State Treasurer anticipates distributing the first Final Divestment List on February 26, 2016. Once the List has been distributed, all Local Government Units should meet the contract certification requirements.
