6.0 PROPOSAL

PET

**Durham Public Schools
School Nutrition Services
2024-2025
Contract / Specifications & Tabulations for Milk Products**

The proposer will provide a list of currently available products and pricing. This is a line item bid, and DPS School Nutrition Services reserves the right to accept all, some or none of the proposals offered on a line by line basis. A vendor can bid on some or all of the items listed below. Each line item will be reviewed against comparable items offered by all vendors. A vendor may bid on one, some, or all of the items listed below.

Item No.	Item	Estimated Annual Quantity	Description <i>If pack sizes differ, please change the pack size and quote the unit price for the pack size quoted.</i>	Unit Cost Firm	Estimated Delivery Frequency
1	Milk, Low-Fat, Un-Flavored	1,400,000	½ Pint (paper carton) unflavored Low-Fat milk, Grade A pasteurized, homogenized not more than 1% milk fat content	\$0.2650	1-2 deliveries per week
2	Milk, Unflavored Skim or Fat-Free	260,000	½ Pint (paper carton) unflavored skim or fat-free milk, Grade A pasteurized, homogenized not more than 0.5% milk fat content	\$0.2650	1-2 deliveries per week
3	Milk, Flavored Chocolate Skim or Fat-Free	1,400,000	½ Pint (paper carton) chocolate milk, Grade A pasteurized, homogenized not more than 0.5% milk fat content	\$0.2650	1-2 deliveries per week
4	Buttermilk, full fat	1,800	½ gallon (specify carton type - plastic, glass, paper)	\$2.30	Monthly
5	Buttermilk, low fat	1,800	½ gallon (specify carton type - plastic, glass, paper)	\$2.30	Monthly
6	Sour cream, full fat	1,800	5 lb container	\$11.71	Monthly
7	Sour cream, low fat	1,800	5 lb container	N/A	Monthly
8	Yogurt, local, plain, full fat	11,000	32 oz container	N/A	Monthly
9	Yogurt, local, assorted flavors, full fat	11,000	32 oz container	N/A	Monthly

10	Cheese, local, pasteurized	(500 pounds per service day)	5 lb, please specify variety(ies)	N/A	Varies
11	Butter, salted, local pasteurized	(250 pounds per service day)	5 lb	N/A	Varies
12	Butter, salted, local pasteurized	(250 pounds per service day)	5 lb	N/A	Varies
13	Soft serve ice cream mix	300	5 lb mix	N/A	Twice per month, high school only, mobile unit
14	Soft serve ice cream machine	2	1 machine, dispensers for 2-3 flavors, countertop stainless steel, minimum capacity 150-200 servings per hour	N/A	NA

SERVICE

1. Site-based delivery of food/beverage items on a weekly basis.
2. Return of any unacceptable products.
3. Pick-up of recalled products as needed.
4. Responsive to requests for credits or clarification in billing.
5. Invoices must be signed by the driver.
6. Products must be delivered to the appropriate area for temperature control, but vendor is not responsible for shelving the food/beverage items or controlling the first in/first out rotation methods.
7. The successful vendor will provide sufficient service personnel to coordinate complete implementation of program to each school site within thirty (30) working days of award.
8. Usage reports sent to the School Nutrition Services Director upon request.

TERMS

- Vendor will provide proposed delivery at forty-nine (49) DPS school locations and five (5) charter school locations for 10 months.
- Service may also be continued for any sites open for summer programming
- Service will be continuous for any school with year-round or special schedules

PROGRAM COSTING

Total firm fixed price must be net of taxes and shall include all transportation and delivery charges. This contract may be extended for four (4) additional school terms at the discretion and consensus of both parties. Cost increases or decreases may be negotiated by the school district based on the consumer price index or wholesale price index, but may not exceed 5%. In the event of more than a 5% increase or decrease, this contract must be renegotiated.

REFERENCES

The vendor shall supply a minimum of three (3) written references (with contact person and phone number included) from different school districts of comparable size where the vendor has the program in use.
