SANITECH

This institution is an equal opportunity provider.

COST PROPOSAL

For: Durham Public Schools, School Nutrition Program (61 School Sites)

- 50** Fully Operational Kitchens
- 9** Satellite Facilities (No service needed)
- 2** Schools with no additional service (No extra service needed)
- 180** Number of Operational Days (2024-2025)

The price quoted shall be for delivery of the specified cleaning and sanitation agents on a set annual cost basis. Monthly service billing will be based on the annual cost divided by ten and billed in equal installments. Amounts provided shall be sufficient to cover usage in June & July for summer programs, close down in June and opening in August with additional products for Year-Round schools.

Description	Brand/Program	Monthly Cost	Annual Cost
Sanitation and Training System as described in the specifications and the accompanying Vendor provided syllabus	Cost per school installing new dish machine dispensers	\$11,735.00	\$117,350.00
	Cost per school using existing dispensers	\$9,850.00	\$98,500.00

I (We) agree to hold prices until 1 year. Initials GG Bottom line firm.

I (We) acknowledge receipt of Addenda Nos. _____

Signed Greg Guice
 Title President
 Date April 23, 2024

Annual cost = 10 identical monthly invoices, August through May

Durham Public Schools

Costing of the Program:

The price quoted shall be for delivery of the specified Sanitation System on a **Set Annual Cost** basis. Price is F.O.B. delivered to any and all locations in the school district. Quotations do not include city, state sales and federal excise tax. Adult food care programs and summer feeding programs will be billed separately based on the cost quoted per site for each month that service is required. Additional items purchased will be billed upon delivery.

The total annual cost will be billed in equal installments per below choices and subject to agreement. Service to sites open for summer service billed separately as described above.

- 1 Installment (July)
- 10 Equal Installments (Aug-May)
- 12 Equal Installments (July-June)

Prices are for one (1) year as designated below.

SFSPac® Food Safety & Sanitation System
