

ADDENDUM 1

Durham Public Schools Request for Statement of Proposal (RFP) For Transportation

RFP # 179-2425-254-CNS_EQUIP_WIF_REBID

Date: 9/12/24

ADDENDUM 1 – Questions and Answers

Q1. Do you need insulated floors for all coolers and freezers listed?

A1. Yes

Q2. If you need floors, do you need internal ramps and do you need diamond treadplate floors for all walk-ins.

A2. Yes

Q3. Are all these walk-ins Remote Refrigeration Systems? and what is the estimated distance of the line set from the walk in to where the condensers will be placed? How many feet?

A3. It varies. Please contact David Bell at 919-730-1230 to schedule a site visit and/or get accurate information by site.

Q4. Do you need any treadplate materials partially covering the bottom of the exterior walls? or interior walls? the walk ins—wainscoting?

A4. It varies. Please contact David Bell at 919-730-1230 to schedule a site visit and/or get accurate information by site.

Q5. Assume all walk-ins will be standard galvalume embossed materials? No Special Colors on the interior or exterior?

A5. Correct.

Q6. For 318 Club Blvd & 339 Lakewood...are those boxes going to be a cooler, freezer, or combo boxes?

A6. Cooler.

Q7. Would you like panel floors for the boxes? If so, what finish would you like (diamond tread type finish or smooth?)

A7. Diamond tread

Q8. What metal finishes would you like?

A8. Diamond tread

Q9. Will the condensing units be installed outside? Will they be more than 50ft away from the box?

A9. It varies. Please contact David Bell at 919-730-1230 to schedule a site visit and/or get accurate information by site.

Q10. What type of electrical is available for the condensing units?

A10. It varies. Please contact David Bell at 919-730-1230 to schedule a site visit and/or get accurate information by site.

Q11. Would you like diamond tread kickplates on the doors?

A11. Yes

Q12. Would you like windows in the doors?

A12. No

Q13. Would you like LED lights?

A13. Yes
