

# **ADDENDUM 1**

## **Durham Public Schools Request for Statement of Proposal (RFP) For Transportation**

**RFP # 179-2425-252-CNS\_EQUIP\_DW\_REBID**

**Date: 9/10/24**

---

### **ADDENDUM 1 – Questions and Answers**

**Q1. I did see the specifications listed for each school, but these do not include the size of the machine and to accurately quote each one, a site visit is highly recommended. This will allow us to quote the best option for replacement of the equipment along with installation. Will you be allowing time for these visits to be completed prior to quote submittals, and if so, can you please advise on when we can schedule these accordingly with your team?**

**A1. Yes. The contact information for site visits was provided in the original bid. Contact David Bell at 919-730-1230 to schedule site visits.**
